

FALL SEMESTER 2011 - FIELD PLACEMENT PROGRAM

Overview and Schedule

There are approximately 100 field placement sites (listed in the *Directory of Field Placements* and on the McGeorge/Field Placement website). In broad terms, there are placements available in the following areas: administrative law, business and tax, criminal justice, environmental law, general civil, health law, judicial clerkships, public interest, government practice, and legislative process. A special externship fitting your interests can also be arranged if it meets criteria approved by the Field Placement Office and the Associate Dean for Academic Affairs.

To obtain a field placement, review your options and then contact the Field Placement Office (located in the Northwest Hall, or email Denai Burbank, Sacexternships@pacific.edu) to schedule a pre-placement interview. After the interview, the Field Placement Office will send your resume to the Placements selected, and the Placement will contact you directly to set up a personal interview. When an externship offer has been made and you have accepted, return to the Field Placement Office to complete a Course Enrollment form to be approved by the Field Placement Director, Colleen Truden.
