SPRING SEMESTER 2012 - GRADUATE COURSES

LL.M. IN EXPERIENTIAL LAW TEACHING

The following are required and elective courses offered this semester for this program, but students should consult with the Director of the Advocacy program to develop their schedules. Students who have taken one or more of the required courses or their equivalents as part of their legal training, will select other appropriate courses in consultation with the Director of the Advocacy program.

Note: For clinical education the students will probably not qualify for student practice certification. Rather than acting as student practitioners or as teachers they will shadow clinical students and teachers in order to learn both about clinical practice and about how U.S. faculty teach clinical students.
