Safe Holiday Tips:

During this festive season of the year our thoughts turn to giving and receiving gifts, visiting friends, relatives, and delightful culinary experiences. However, there are others who think about unoccupied, appliance filled houses, distracted shoppers with extra cash in a purse or wallet, or they're planning their next "charity scam." Don't give a thief a chance this year. Please exercise extra caution during this special season. Trust your instincts; if something does not look or feel right, it probably isn't. Remember, being safe doesn't take a holiday.

Whenever your social plans involve alcohol, make plans so that you don't have to drive after drinking. For example:

- Prior to any drinking, designate a non-drinking driver when with a group.
- Don't let your friends drive impaired. Take their keys away.
- If you have been drinking, get a ride home or call a taxi.
- If you're hosting a party where alcohol will be served, remind your guests to plan ahead and designate their sober driver; offer alcohol-free beverages; and make sure all guests leave with a sober driver.
