McGeorge-At-A-Glance

Office of Student Affairs
The Office of Student Affairs exists to serve McGeorge students. Our principal job is to help students navigate through school. We provide academic counseling to JD students and assistance to all McGeorge students with disabilities. We oversee student wellness and work with our student government and McGeorge student organizations. We also enforce the Code of Student Responsibility.

Code of Student Responsibility
The Code of Student Responsibility governs McGeorge Students both on- and off-campus at all times from the day you submit your application until graduation, expulsion, voluntary withdrawal, or academic disqualification not followed by reinstatement. The Code is divided into four parts – Cannons of Ethics, Disciplinary Rules, Organizational Rules, and Procedural Rules. This Code embodies the key concepts of professionalism and civility that are so crucial to the legal profession.

The Docket and The WRIT
The Office of Student Affairs prepares two weekly emails for students called The Docket and The WRIT (Weekly Report of Important Things), with important announcements, deadlines, and upcoming events. It is critical you read these emails to stay abreast with campus happenings and key information you will need that you will not receive elsewhere.

Disabled Student Services
McGeorge makes every reasonable effort to accommodate students with physical, psychiatric, or learning disabilities. Appropriate services and modifications are worked out on a case-by-case basis. Our campus facilities are accessible to students with mobility impairments, and, in compliance with the Americans with Disabilities Act, we do not discriminate in the administration of our educational programs, admissions, scholarships, loans, or other activities or programs based on disability. Please review the online Handbook and contact the Office of Student Affairs at sacstudentaffairs@pacific.edu for more information.

Office of the Registrar
The Office of the Registrar is the official academic records office. Services provided include official transcripts, enrollment verifications, degree evaluation, diplomas, and veteran and military enrollment certification.

Academic Year
The academic year extends from May – the first day of the summer session – through May – the last day of the Spring Semester. Your cumulative GPA at the end of the academic year is significant because it will be used to make advancement and scholarship determinations. The Academic Calendar can be found on the McGeorge website.

Faculty Support Office (“FSO”)
The FSO supports McGeorge students with obtaining course syllabi before the first day of class, manages the testing process, and distributes reference materials. The FSO maintains a LibGuides site where important start-of-the-semester materials may be found. Some professors use the FSO as a location where students turn in (and timestamp) papers or other written assignments. The FSO also provides administrative support for faculty teaching, scholarship, and service. Students are encouraged to seek the FSO’s assistance in relaying questions to professors while still preserving anonymity.

Accessing Syllabi
To access course syllabi, go to the FSO’s LibGuides page, which you can find linked from both the FSO and Library’s pages on the website. If you are accessing the LibGuides page from off campus, you will need to log in using your name and student ID number (not your insidePacific password). Please contact the Library if you have any login issues.
Technology

**Student E-mail:** McGeorge sends the majority of its correspondence solely through email to your University-assigned email account (username@u.pacific.edu). **Students are responsible for all information sent to their university-assigned email,** and are required to check their email on a frequent and consistent basis in order to stay current with campus communications and, if necessary, act in a timely manner based upon these emails.

**InsidePacific (insidePacific.Pacific.edu)** is the university’s campus portal with student access to register, check grades, print transcripts, manage your PacificCard balance, and other information and services. Sign in using your PacificNet username and password.

**Canvas (Canvas.Pacific.edu)** is Pacific’s learning management system which enables faculty to offer online assignment submission, discussion boards, wiki pages, and other tools. Canvas also allows students to interact outside of the class meeting time.

**Free Resources for Students:** Pacific also offers other free technology resources to currently enrolled students including:

New Student Checklist

Welcome to campus! As you embark on your first semester, here are important items to complete:

- If you need help with getting a laptop or adequate internet connection, reach out to Student Affairs for resources.

- Purchase your textbooks. 
  [bkstr.com/pacificsacstore](bkstr.com/pacificsacstore) The bookstore will be staffed with 2 personnel from 8am until 2pm daily, Monday through Friday. They are currently closed to foot traffic, but are curbside pick-up operational. Orders that students place online, will be dealt with in the order received. The choices for shipping are listed when placing your order. If a patron chooses curbside pick-up as an option (in the NOTES section), the bookstore will contact the student by phone when the order is processed, and give instructions for pick up. Orders submitted online may not be seen or processed until the next business day. As soon as it is opened, it will be processed, and shipped out that day based on the chosen shipping method. For those receiving financial aid, a credit will be added to accounts and students will be able to use their PacificCard (student ID) to purchase books before loans are available.

- Check your Pacific email. Correspondence from Pacific will be sent to your Pacific email account, so be sure to check it frequently. Contact the IT Helpdesk ([sachelpdesk@pacific.edu](mailto:sachelpdesk@pacific.edu) or 916.739.7325) if you have any technical difficulties.

- Attend First Week. First Week provides the academic and administrative information necessary for a successful 1L year, as well as opportunities to connect socially with the classmates, professors, and staff who will become your colleagues and support system during law school and beyond. You will be required to sign in and out of various First Week sessions to verify attendance. Contact JD Admissions with any questions.

- Remember your continuing duty to timely disclose any conduct that would have required disclosure in your law school application. Disclosures prior to the first day of classes should be submitted to Admissions, and after the first day to Student Affairs.

- Submit your official transcripts with degree conferral date to the JD Admissions Office. There is an ABA requirement that we have your final degree-granting transcript on file by the start of classes. Everyone must complete this step, even if you applied with a final transcript on file.

- Acknowledge Receipt of The Handbook. This form will be available on Comevo during Prep Week and First Week. This acknowledges you received a copy of your JD Student Handbook (aka, the Black Book).

- Go to the FSO’s LibGuides page to download your course syllabi. Most law school classes have a reading assignment that needs to be completed before the first day. [https://0-libguides.mcgeorge.edu.pacificatclassic.pacific.edu/facultysupportoffice](https://0-libguides.mcgeorge.edu.pacificatclassic.pacific.edu/facultysupportoffice)

- Update your contact info with the Office of the Registrar if it has changed. This includes address changes, name changes, etc. Forms are located on the Registrar’s webpage.

- Submit your emergency contact information to PacificConnect. In the event of an emergency, Public Safety uses the PacificConnect system to contact students, staff, and faculty with real-time alerts. You can access PacificConnect through insidePacific. You can also provide a loved one’s contact information for notification as well.

- Complete your Work Certification on insidePacific (full-time students only). Students enrolled in more than 12 units may not engage in more than 20 hours per week of paid work. You may access this form on insidePacific.

- Submit your Title IV Authorization Form and Direct Deposit Form to the Business Office. Both forms are fillable PDFs, so you can complete them electronically and submit them to [sac_busoffice@pacific.edu](mailto:sac_busoffice@pacific.edu).
Accept Financial Responsibility on insidePacific. All students are required to accept Financial Responsibility for each term. To complete via mobile device, go to: insidePacific > expand the menu at top of the page > Select the Sacramento Students Link > Select the Pacific Today Link > Go to the Financial Responsibility Acceptance box and click on the link to accept financial responsibility > select the correct current term (LAW Fall 2020) in the drop down > read the statement and click on the “I Accept” button. Students who do not fill out this form will have a registration hold placed on their account.

Look in TWEN and Canvas for course websites during First Week. Your Westlaw password will be provided during First Week. This password gives you access to TWEN. If you have problems with TWEN, see Monica Sharum or Dan Breuer in the Library. Canvas uses your regular Pacific login.

Request Accommodations under the American’s with Disabilities Act. McGeorge’s Policy Handbook for Students with Disabilities is available online at mcgeorge.edu/Disabled_Student_Services.htm. Those needing accommodations should review the policy and contact the Office of Student Affairs at sacstudentaffairs@pacific.edu to request the necessary paperwork.

Meet Professor Thompson. Professor Thompson is the Director of Academic Support. It is her job to help all students excel in law school. Schedule a meeting with her early in the fall semester to develop an individual study plan and to learn how to master foundational law school skills.

MAX by AccessLex is a FREE personal finance program designed just for law students. Register using your McGeorge School of Law email at accesslex.org/MAXONLINE. Complete MAX Lessons and attend MAX Events to learn more about money and be entered into drawings for scholarship money.

Complete mandatory Sexual Misconduct and Alcohol and Other Drug Prevention training. Check your school email for more information.

Complete the Health Insurance Enrollment/Waiver Process. To ensure your academic success, Pacific mandates that you maintain comprehensive health insurance if you are enrolled in 6 or more units per semester. The waiver deadline is September 4, 2020 at 5:00 p.m., after which anyone who did not complete the waiver process will be auto-enrolled in the annual student plan at a cost of $1,725 per semester. The waiver/enrollment process is a requirement you must meet each academic year. Students will have no option to terminate or waive out in the Spring semester unless they graduate or enter the armed forces. Visit pacific.edu/insuranceoffice for more information.

Enroll in the Voluntary Dental and/or Vision Insurance Plans by September 4, 2020 if you want coverage. While Pacific’s Student Health Insurance Plan does offer wellness discounts including Basix Dental and EyeMed Discount Program at no additional cost, this is not the same as having dental and vision insurance. Visit pacific.edu/dentalvision for information about dental and vision insurance options.

Visit the Library’s Online Orientation Guide, available at libguides.mcgeorge.edu/Library. Learn about online study aids, how to access virtual reference assistance, tips to help you navigate TWEN, Canvas, and the campus network, plus get to see all that the library has to offer you. When courses are able to resume on campus again, we’ll offer in-person library tours. For the latest COVID-19 developments, check out our regularly updated COVID guide at libguides.mcgeorge.edu/COVID.

Do not upgrade your operating system or purchase a laptop with the very latest operating system. Examplify (the software used to take exams at McGeorge) does not support all versions of Mac OSX or Windows. Always confirm minimum system requirements with the Examplify support site before upgrading or purchasing a new laptop.
- Verify that your Pacific ID card will allow you to access the buildings and rooms you should have access to such as the Gazebo, where a printer is available for student use while the Library is closed. Be sure to check your email for information about requirements for social distancing, temperature checks, and masks while on campus. (When we are permitted to return to campus you will want to make sure your ID card will allow you access to the Library and after-hours study area.)

- Network. Like any skill, networking takes practice. Attend bar association meetings and on-campus events, get to know your professors, and generally begin to build your professional network. Personal contacts are a primary source for securing jobs for most of our students. Those contacts are often facilitated through school sponsored events, courses, and extra-curricular activities. There will be plenty of virtual meetings and activities with opportunities to connect with classmates, professors, and practicing attorneys.

- Run/vote for 1D and 1E Student Bar Association Representative. The SBA reserves two seats on its Board of Governors for first-year JD students. Serving on the SBA Board is an opportunity to feel connected with campus as a whole and to develop your leadership skills. Check your email for instructions about how to run.

- Get involved in 1 or 2 extra-curricular activities. Join a Registered Student Organization, volunteer on a SBA Student Committee, seek out Pro Bono opportunities such as the Immigration Fair, Pro Se Help Day, or get involved with the Sacramento Campus Community Garden...find enjoyable activities that will round out your 1L experience and help you stay happy, healthy, and motivated.

- Register with the California State Bar. Review the Black Book “Bar Admission” page for instructions. This is required in order to sit for the California Bar Exam and also to apply to be a certified law student after your first year.

- Attend your Mandatory CDO Orientation. Beginning in early September, the Career Development Office will meet with each student via Zoom to orient you to Career Services and help you begin to develop your individualized career plan. At this meeting you will get access to McGeorgeCareersOnline, information about 1L summer jobs, and receive your Career Development Planner. Watch your email for details about your meeting date.

- Registration for the spring semester in your first year occurs in September. You will receive an email from the Office of the Registrar with details on when and how to register in early September. Online assistance and written instructions will be provided.

Once we are back on campus:

- Verify that your devices (mobile phone, laptop, and/or tablet) can connect to the PacificNet Network. Contact IT if you have any connectivity issues.

- Submit Immunization Records and Complete Online Forms/Questionnaire. All incoming undergraduate, graduate, and professional students enrolled in one or more units attending any of the 3 Pacific campuses are required to meet immunization requirements once we are meeting in person again, after which a registration hold will be applied. Visit pacific.edu/immunizationcompliance for more information.

- Make bar preparation your full-time job. Participate in the BEAT or Extra Feedback Program to get free supplemental bar exam support and feedback on your bar writing through McGeorge. Check your Pacific email and the McGeorge Bar Prep Blog and social media pages as you get closer to graduation for more information.
Academic Advising

Aside from certain required courses, the way you design your upper-division schedule is largely left to your discretion. There are a number of resources available to help you make course selection decisions:

Schedule a McGeorge Academic Planning ("MAP") appointment with the Office of Student Affairs.
When you need help sorting through your academic, co-curricular, and extra-curricular options, advising is available through the Office of Student Affairs. Schedule a MAP appointment at any point during the year with either Jennifer Carr, Assistant Dean for Student Affairs, or Rebekah Grodsky, ’10, Director of Academic and Student Affairs, by contacting Kelli Sarnowski at 916.739.7089 or emailing sacstudentaffairs@pacific.edu. Typically the later part of the spring semester of your first year (after the schedule of classes is released) is a good time to begin planning for your remaining two or three years.

Read this Book!
There is a strong possibility that your question is answered somewhere in here.

Familiarize yourself with the list of subjects that will be tested on the bar exam.
Each state tests different material on its bar examination. Alums report that taking the bar-tested subjects in law school proved to be immensely helpful during bar study.

Talk to your professors, upper division students, and practicing lawyers.
You have been assigned a faculty mentor. This professor is available to talk to you about academics and provide other sources of advice and information. In addition, many upper division students, alumni, and supervisors at your externship sites are good resources for academic and career counseling. They have been there, done that, and have lots of helpful advice to share.

Review the online Pathways.
Whether you arrive at McGeorge with a clear idea of the kind of lawyer you want to be, or plan to explore a variety of opportunities during your legal studies, helping you successfully reach your goals is our priority. We want you to make informed career choices that resonate with your talents and passions. We have developed 20 legal Pathways, which describe distinct legal practice areas. Reviewing the Pathways as you develop your individual academic and career plans can help you ensure that you credential yourself for the job that you want. These Pathways can be found on the CDO website at go.mcgeorge.edu/pathways and include the following practice areas:

- Alternative Dispute Resolution
- Business Law
- Capital Lawyering (Law & Policy)
- Civil Litigation
- Commercial & Financial Services Law
- Criminal Law
- Education Law
- Elder Law
- Employment & Labor Law
- Environmental Law
- Family & Estate Planning

Academic Support

You probably have heard that law school is hard and that it is like nothing you have experienced before. Both of these statements are true. As a result, just about every student in law school needs assistance to achieve their full potential. McGeorge affords that assistance in a number of ways through its comprehensive Academic Support Program.

First Year Skills Lab & 1L Study Teams
All first-year students at McGeorge are required to take a 1-unit Skills Lab incorporated into a substantive law course, such as Torts or Criminal Law. During this course, students are taught foundational law school skills and are given the opportunity to practice and receive feedback on the various skills needed to be a successful law student. These skills include critical reading, case briefing, extracting and writing rules, note-taking, outlining, the IRAC exam-writing method, legal analysis, multiple choice assessments, time management, and stress management. Additionally, all first-year students are placed in 1L Study Teams, which are led by an upper division student. The 1L Study Teams meet once per week and have required assignments, which are connected to both the substance and skills taught in their Skills Lab.

Individual Assistance
Professors Stephanie Thompson and Courtney Lee are available to meet with and counsel students at any time regarding study techniques (critical reading, case briefing, outlining, attack sheets), exam taking, time management, supplemental materials, study groups, and other matters related to academic progress and/or the bar exam.

Practice Examinations
The primary methods of assessment in law school are essay and multiple choice exams. Both formats require students to apply the law to new fact scenarios by analyzing how the facts might support valid arguments for each side. These assessment methods are used because they are similar to state bar examinations and the practice of law, where hypothetical fact patterns become real client problems.

Most professors release past essay exams so that students may take practice exams on their own to prepare for their assessments. Students can then meet individually with their professors or academic support faculty to discuss their answers. This individual exam writing practice is key to student success in law school. Past exams are available on the Library online database, and students are encouraged to download these exams and compile their own practice exam libraries.

Directed Study Program
Students whose cumulative first-year grades indicate they would benefit from more intensive skills instruction are placed in the Directed Study Program. This Program is designed to help students reach their full potential in law school through a continuum of academic support and counseling, as well as to introduce them to the skills necessary to pass the bar exam on the first attempt. Students placed in Directed Study will remain in the program for the duration of their time at McGeorge.

REMEDIES AND PRINCIPLES OF LAW: All students in the Directed Study Program take Remedies and Principles of Law. Full-time students take this course during second year and part-time students during their third year. This course reviews principles of core substantive law taught during the first year, such as Contracts, Torts, and Property, and key remedies, including injunctions, restitution, and damages. Students will practice using the rules of law and remedies to answer bar-type essay, multiple choice, and
performance test questions effectively, and receive detailed feedback and guidance on how to improve their law school studying and exam-taking skills.

**PRINCIPLES OF AGENCY:** Select Directed Study Program students may also be required to take the Principles of Agency course or a Directed Research course in the fall semester of their second year. The one-unit Principles of Agency course covers the law of agency while focusing on improving study skills, exam writing, and legal analysis. Students take multiple written assessments with extensive individualized feedback and one-on-one counseling to help students achieve their full potential. The one-one Directed Research course covers all the same skills.

**PASS I:** In either the Fall or Spring of their final year, Directed Study Program students are required to take Practical Analysis, Strategies, & Skills I (PASS I). PASS I is a three-unit pass/fail course that covers effective preparation and performance strategies for the multiple choice, essay, and performance test components of the California Bar Exam. PASS I students complete substantial writing practice and receive extensive individualized feedback on their answers. Although Directed Study Program students are required to take PASS I for graduation, this course is open to (and encouraged for) all McGeorge students in their final year of study.

**PASS II:** PASS II is a three-unit, graded elective course offered in the spring that reviews the substantive law of Civil Procedure, Contracts, and Property. Students use commercial bar review course materials in this fast-paced class that prepares them for post-graduation bar preparation. Although not required, all McGeorge students, whether in the Directed Study Program or not, are strongly encouraged to enroll.

**Other Requirements:** Students in Directed Study also have other required courses on specific bar-tested topics and will meet regularly with the Dean of Students to discuss their academic scheduling and progress.

**Directed Study FAQ**

**Q: Why do we have Directed Study?**

A: The Directed Study Program is intended to bolster a student’s command of and confidence in core legal skills, with the goal of increasing success in law school and paving the way to bar exam success. There is a strong correlation between performance in law school and bar passage. Failure to pass the bar on the first try is difficult financially, emotionally, and professionally, so we want to do everything possible to help McGeorge students succeed in law school and on their first bar exam attempt.

**Q: Who is part of Directed Study?**

A: Students who have a cumulative GPA below a 3.0 after their first year are automatically enrolled in the Directed Study Program for the duration of their enrollment at McGeorge and must meet its requirements. Students who have a cumulative GPA between 2.9 and 3.0 may petition to be removed from the Directed Study Program and those with a GPA between 3.1 and 3.0 may petition to be included.

**Q: How will I know if I am in Directed Study?**

A: Students are notified within their Academic Progress Email received at the conclusion of their first year. See “Advancement and Grades” for more about Academic Progress Emails.

Working While in Law School

Full-Time Students
Law students may not engage in paid employment for more than 20 hours per week in any semester in which the student is enrolled in more than 12 course hours.

Annual Certification
Students are required to certify each year, during the registration process, that they understand this policy and agree to be bound by it.

Division vs. Enrollment
Please note that for purposes of this rule, it does not matter whether you are classified as being part of the Full-Time or Part-Time Division. If you are enrolled in more than 12 units that semester, you cannot engage in paid employment for more than 20 hours per week.

Change of Division

Upon satisfactory completion of the first year of study, students may apply for transfer between the full-time and part-time programs.

Part-time students who wish to move into the full-time division are advised that the Assistant Dean for Student Affairs will consider academic performance to date in making her determination. Students with at least a 3.0 cumulative GPA will be permitted to switch.

To switch divisions:
1. Develop a general plan for how you will meet the various degree requirements,
2. Consult with the Financial Aid Office, and
3. Schedule a meeting with Dean Carr for academic counseling and approval.

Contact the Office of Student Affairs at sacstudentaffairs@pacific.edu or 916.739.7089 to schedule your appointment.

*To stay on track for graduation, part-time students generally take 2-5 units each summer. Alternatively, part-time students who have flexibility to take daytime classes may opt to take extra classes during the academic year that would normally be completed over the summer. Either way, tuition for any units outside of the block rate is charged on a per unit basis.
Accelerated Honors Program

McGeorge has an Accelerated Honors Program ("AHP") that allows select full-time students to complete their JD degree in two and one-half years. The typical AHP curriculum includes a 10-week honors externship during the summer and a heavier load of 17 credits each semester after the first year. To be part of AHP, students must be accepted into the program at admission and cannot opt in after completion of their first year. AHP students must maintain a 3.00 GPA to remain in the program. More information about the AHP program can be found online here: mcgeorge.edu/future-students/accelerated-honors-jd-program. If you have questions about constructing your AHP schedule, contact Associate Dean Moylan, mmoylan@pacific.edu.

A few other notes:

- AHP students need to take 17 units each semester to stay on track to graduate
- All students are encouraged to take all of the bar-tested courses, as well as PASS I and PASS II. PASS I and PASS II may be taken during your last year of law school, which for AHP students would mean either the Spring of your 2L year or the Fall of your 3L year.
Upper-Division Writing Requirement and Opting out of GLS II

To satisfy the upper-division writing requirement, you can either complete Global Lawyering Skills II or serve as a comment staff writer on the University of the Pacific Law Review. Students frequently have questions about this requirement:

Q: Can I do both Global Lawyering Skills II and law review?
A: Yes. Students are encouraged to serve on law review after their first year (full-time) or second year (part-time) experience at McGeorge. Full-time second year students who are selected to work on the journal Comment staff have the option of waiving out of Global Lawyering Skills II. No waiver is available for part-time students who serve on the law journal in their third year.

Since law journals focus on academic writing and legal citation, and GLS II focuses on practical writing, advocacy, oral presentation, and other lawyering skills, the two experiences are quite distinct. Students are encouraged to take advantage of both experiences, and GLS professors are willing to accommodate students who have law journal deadlines with extensions on written work. A number of second year students in recent years have elected to serve on the law journal while enrolling in GLS II. Their experience has been largely positive.

Another way to structure a course of study to avoid missing out on either the law journal or GLS II experience is to defer GLS II to the third year. For a student who is not interested in pursuing opportunities in Moot Court in the third year, this path may be attractive. However, the most direct path to Moot Court participation is through success in the GLS II program. So, students who would like to pursue Moot Court should enroll in GLS II in their second year.

Q: What is the process for opting out of Global Lawyering Skills II?
A: There is no special process. If you know that you will be opting out, simply do not register for a GLS II class. If you are unsure or you are considering doing both, then register for a GLS II class. If you register for a GLS II class and later decide to opt out, you may do so by dropping your GLS II class before the Add/Drop Deadline. Be warned that GLS II classes fill early and if you wait to decide to register for GLS II, you may not get your first choice section.

Q: Do any other courses satisfy this requirement?
A: No. Although we have other fantastic upper-division writing courses, they do not satisfy this particular requirement. Please also note that Greensheets does not satisfy this requirement.

If you have any questions about the viability of enrolling in GLS II while serving on law review, please contact Professor Moylan, Associate Dean for Academic Affairs at mmoylan@pacific.edu. She is happy to discuss the topic with any interested students.
### Experiential Curriculum

| August 2018 and forward | - Two transformational capstone experiences: (1) a McGeorge Legal Clinic or Externship (3 units minimum) and (2) a second McGeorge Legal Clinic, Externship, Mock Trial, or Moot Court (3 units minimum)  
- Additional units of other experiential courses, including Simulation courses, equaling 11 total units. |
| August 2017 | - A McGeorge Legal Clinic or Externship (3 units minimum)  
- A total of 8 units of Simulation and Practicum courses, of which at least 3 units must be from Simulation Courses (or at least 6 units of Simulation courses if the Clinic/Externship Requirement was waived). |
| August 2016-August 2013 | - A McGeorge Legal Clinic or Externship (3 units minimum)  
- A total of 8 units of Simulation and Practicum courses, including at least 1 Simulation and 1 Practicum Course |

**Q: What is a Clinic or Externship?**

**A:** Through Externships and Legal Clinics, students get **hands-on legal experience**, putting the theory learned in the classroom into practice in an on-campus or hybrid clinic, or an externship in a government agency or nonprofit setting. Students in the on-campus clinics represent real clients under careful supervision and all clinical and Externship students gain real-world legal skills.

**Q: What is a Simulation Course?**

**A:** Simulation courses provide substantial experience, not involving an actual client, that (1) is reasonably similar to the experience of a lawyer advising or representing a client or engaging in other lawyering tasks in a set of facts and circumstances devised or adopted by a faculty member, and (2) includes direct supervision of the student’s performance by the faculty member; opportunities for performance, feedback from a faculty member, and self-evaluation; and a classroom instructional component.

1. For the vast majority of the instructional time, the students will be immersed in lawyer-like settings and engaged in lawyer-like tasks.

2. Traditional classroom work may be a component of the course for the purpose of conveying doctrine or other substantive material, but it will be integrated into the lawyer-like work to be performed by the students.

3. Students will bear the responsibility for organizing and producing the assigned work. Collaborative projects are encouraged.

4. Because of the nature of these courses, regular and frequent student-faculty interaction outside of the classroom is expected.

5. Students will produce a series of lawyer-like writings and/or participate in a series of exercises that demonstrate skills such as oral advocacy, fact-gathering, counseling, interviewing, and dispute resolution integrated with legal theory and professional identity. These projects will require students to exercise professional judgment and engage in problem solving.

6. Students will receive in-depth feedback and opportunities to improve based on feedback. Students will not have a final examination at the end of the course.

7. The syllabus for a Simulation Course will (a) set forth the definition of a Simulation Course provided above and (b) identify the lawyering skills that the course will cover and the exercises that will teach those skills.
Q: What is a Practicum Course?
A: Practicum Courses are courses in which at least one-third of instruction is devoted to a professional skill or set of professional skills characteristically used by practicing lawyers. Practicum courses give students the opportunity to learn substantive law and also learn and appreciate the context in which that law is to be applied by working on lawyer-like projects on simulated legal matters.

Q: How will I know which courses qualify?
A: By their very nature, these courses tend to be dynamic, cutting-edge offerings. From year-to-year the list of qualifying courses will change to reflect legal trends and interesting opportunities for McGeorge students. In past academic years, simulation courses have included: Advanced Appellate Advocacy, Taking and Defending Depositions, Mediation, and Trial Advocacy. Practicum courses have included: Elder Law & Social Policy, Employment Law, and Family Law. Qualifying courses are indicated on the Academic Schedule with the notation of SIML or PRAC.

Q: May I take extra experiential courses?
A: Space permitting, yes. Some students select more than the required number of Clinics and Externships and several practicums and simulations! Students report that the courses in the Experiential Curriculum prepare them well for the practice of law.

Q: What if I cannot meet the Clinic/Externship Requirement because of my job?
A: Students who work full time (approximately 40 hours/week) during normal business hours may request a waiver of the Externship/Legal Clinic portion of the Experiential Curriculum. Waiver forms are available by emailing saclaw@pacific.edu.

Waiver requests will be reviewed by the Assistant Dean for Student Affairs and/or Associate Dean for Academic Affairs and granted for good cause only. Each student requesting a waiver will be contacted to meet personally with Dean Carr or Dean Moylan.

Before waiving the requirement, the law school will work with the student to assess if there might be a creative way for the student to fulfill this requirement without needing a waiver. For example, there are a limited number of remote externships available to students who have full time jobs. Remote externships provide an opportunity for hands on legal work in non-business hours and may be a good fit for some students who are working full time.
Classroom Policies and Standards

Class Attendance, Preparation, Participation & Performance
Regular and punctual class attendance is mandatory and required by the American Bar Association. The faculty expects that you will be fully prepared and that you will actively participate in class. The faculty is required to take class attendance. Many professors incorporate preparation, participation, and class performance into consideration in grading. Your attendance and active involvement in class discussion form a central part of the learning process in law school for you and your classmates. Failure to meet the minimum standards set by your professors may result in a lower grade, or exclusion from taking the final examination or submitting the final assignment, resulting in a failing grade.

Classroom Conduct
The Code of Student Responsibility notes: “[l]egal education demands free debate, characterized by the quick interplay of ideas, skillful use of logic, and knowledge of precedents, all tempered by compassion.” Students are expected to act civilly, ethically, professionally, and respectfully towards one another and their professors, and to be sensitive and accommodating to the wide range of feelings and perspectives of our diverse faculty and student body.

Conduct in Online Classes
Use good online etiquette. In essence, treat your Zoom class as you would any other class. Be mindful of your location, attire, and behavior, including:

- Avoid lounging in bed. If you need to be in your bedroom because it is the only place you can find peace and quiet, no problem, but find a place where you can sit upright. Also, wear the same kind of clothing you would wear to an in-person class, not pajamas.

- Avoid multitasking. While there will certainly be the occasional pet, child, or partner distraction because we are all at home, class is not the time for multitasking such as cooking, eating, or running errands.

- Mute your microphone when you are not talking. You may also find it helpful to use a headset or earbuds for better sound quality.

- Position your camera so it is focused at eye level, if possible. Doing so helps create a more direct sense of engagement with your professor and classmates. Also, be mindful of your lighting. It is generally best to have lighting in front of you or to the side.

- Use your name (first and last), not a fun nickname or the name of the last person other than you who used Zoom on your computer. If you need to re-name yourself on Zoom, you can do so under the participants menu.

- Pay attention to the chat feature on the right hand side of the screen. Your professor may pose questions there for you to answer. The Zoom chat feature is also a tool to make comments and ask questions without interrupting the speaker, but be aware that your comments are public and are recorded in the minutes of the session.

- Turn off notifications on your computer and phone to minimize distractions during class. It also helps to close unnecessary applications to help Zoom function optimally.

- Refrain from taking screenshots or pictures of the Zoom window without permission from the class.

The realities of your internet connection or your personal situation may make muting your video necessary or preferred for some or all of your class. If your professor requests for you to be onscreen but your circumstances make stopping your video necessary, send an email ahead of time to explain why you need to turn off your video.

Please also keep in mind that it is important to ask for clarification when you need it. In a traditional classroom setting, professors can often tell if a student seems confused by material and will make an effort to reach out to the student. Over Zoom (or with asynchronous learning), it is difficult to notice these same non-verbal cues. Make sure you reach out to your professors for help when you need it.
Laptop Use
Laptop computers may be used in class only for appropriate academic purposes as determined by the professor. Some professors do not permit in-class laptop use; however, in some cases laptop use may be permitted as an accommodation for a documented disability under the Americans with Disabilities Act. Using a laptop computer during class for a non-academic purpose (e.g., browsing the internet) distracts other students and may violate the Code of Student Responsibility.

Religious Holidays
McGeorge is committed to diversity and inclusion and this extends to how we observe religious holidays. McGeorge respects the rights of all members of our community to observe religious holidays and our hope is that we can all work together—staff, faculty, and students—to find constructive ways to achieve this. Students are encouraged to be proactive in speaking with professors and others about possible conflicts early in each semester and working together to find suitable solutions, including recording classes (see the next page for more information). The Office of Student Affairs also works with students whose religious commitments conflict with classes and/or exams.

Faculty Office Hours
All full-time faculty members have regular office hours posted outside of their office, listed on their syllabus, and posted on their course Canvas or TWEN site. They make every effort to honor these hours by being available at the times indicated. The approachability of our faculty is a hallmark of McGeorge, so do not hesitate to take advantage of this opportunity.

Policies of Individual Professors
Faculty members have the discretion to give students further information about how they interpret the rules concerning attendance, class preparation, class participation, and other subjects, and what consequences flow from violations of those rules.

Recording Classes
Based upon a resolution approved by the faculty, tape recording of class sessions is prohibited except to accommodate:

1. A student’s observance of a religious holiday. If a student plans to miss class due to religious observation, the Office of Student Affairs must be notified one week in advance of the class(es) to be taped;
2. A student’s absence from a make-up class scheduled at a time that conflicts with a regularly scheduled class;
3. The scheduling of a make-up class or review session outside of the regular class hours;
4. Students who are called to active military duty by the Armed Forces;
5. A student’s documented disability as part of services recommended for and provided to students under the Americans with Disabilities Act;
6. Students in the LLM Legal Research Writing and Analysis course when the instructor has determined that the student is having difficulty in understanding spoken English;
7. Any extraordinary circumstances outside a student’s control, as approved by the Associate Dean for Academic Affairs or the Assistant Dean for Student Affairs; or
8. A request by faculty for special purposes such as, e.g., developing online instruction, marketing, or capturing a guest lecture, as approved by the Associate Dean for Academic Affairs.

No student shall copy, display, download, upload, post, release or otherwise distribute or publish any recordings of any class given at McGeorge, nor shall any student use such recordings for any commercial purpose without the written consent of the instructor. Violations of this policy will result in disciplinary action pursuant to the Code of Student Responsibility.

To request permission to record, email the Office of Student Affairs. Once approved, students may self-record their classes. If the need for recording is due to the students’ absence from the classroom, the school will require a minimum of 24 hours’ notice.
Institutional Learning Outcomes

At McGeorge, our learning outcomes are the lawyering skills that students are expected to obtain through the completion of a legal education. Consistent with ABA Standards, upon completion of a JD degree, graduates of the McGeorge School of Law will demonstrate mastery of the following student learning outcomes at the level needed for admission to the bar and effective and ethical participation in the legal profession as an entry level attorney. McGeorge School of Law has designed its curriculum to prepare students with the key skills and competencies needed to demonstrate these learning outcomes in the legal profession.

Each student will:

1. Demonstrate the ability to identify and understand key concepts in U.S. substantive law, legal theory, and procedure.
2. Apply knowledge and critical thinking skills to perform competent legal analysis, reasoning, and problem solving.
3. Demonstrate the ability to strategize, develop, and conduct efficient legal research in U.S. law.
4. Demonstrate the ability to identify and understand foundational concepts in international law and to perform international legal research.
5. Demonstrate communication skills, including effective listening and critical reading, writing in objective and persuasive styles, and oral advocacy and other oral communications.
6. Demonstrate professional judgment, ethics, and professionalism through conduct consistent with the legal profession's values, standards, and discipline.
7. Demonstrate the ability to understand, collaborate, and engage with people of diverse backgrounds and experiences in a variety of legal settings and contexts.
8. Demonstrate understanding of the legal profession's commitment to access to justice.
9. Demonstrate understanding of career options and steps toward defining and achieving career goals in light of personal values.
Examination Policies

Most courses have a comprehensive written examination at the end of each semester. All courses should also have one or more exams, quizzes, or written assessments and/or assignments during the semester. Some courses, such as clinical courses, Trial Advocacy, or Directed Research, may not have examinations but have grades based on evaluation of written assignments and performance standards.

Exam Schedule
The tentative final exam schedule is published before registration. Students may not register for classes with conflicting exams.

Exam Instructions
Students are advised to read the exam instructions carefully; students are responsible for knowing and complying with all examination instructions.

Exam Materials
Unless an announcement is made to the contrary, students are permitted to have only pens, pencils, and a laptop computer with them in the examination room. If it is necessary to bring backpacks, etc., into the room, the items must be left either in the front or back of the room, as the proctor indicates, and not retrieved until time has been called for all students to stop. Additionally, only analog watches are permitted. McGeorge is not responsible for items left unattended during exam periods; leave valuable items at home.

Conduct During Exams
Students are expected to conduct themselves honorably and in a professional manner during examinations. Any breach of this standard may result in disciplinary action under the Code of Student Responsibility.

Submitting Questions & Exam Responses
Examination materials must be turned in as the proctors designate before the student leaves the examination room. The proctor will indicate whether the exam question may be taken or must be returned. Multiple-choice questions, if any, always must be returned at the conclusion of the examination.

Policy Regarding Rescheduling Exams
Exams must be taken at the scheduled date and time, unless the Assistant Dean for Student Affairs approves an exam change. Approved excuses are limited to the following circumstances:

- A bona fide illness, emergency, or personal tragedy.
- A significant, immovable, and provable work or family/personal obligation.
- A conflict with the student’s religious observance, jury duty, or National Guard obligations.
- Rescheduling is approved as an accommodation for a disability and timely notice has been provided to the Office of Student Affairs, as described in the policy for students with disabilities,
- A student has a conflict between an exam and a required co-curricular activity (i.e., competition team travel), or
- A student has three consecutive exams. In such cases the second exam will be the one rescheduled. For example, if a student had the following three exams scheduled: Wednesday from 6:00 to 9:00 pm, Thursday from 9:00 am to 12:00 pm, and Thursday from 1:00 to 4:00 pm, the Thursday morning exam would be rescheduled.

Only the Assistant Dean for Student Affairs can approve a student to miss an examination or any portion of an examination. To maintain the anonymity of the grading process, do not contact your professor about exam scheduling or missed exams.

To reschedule an exam, contact McGeorge Student Affairs at least four weeks prior to the examination (or as soon as the emergency arises). The Assistant Dean for Student Affairs will then review and either approve or deny the request. Full written verification of the details of such an event may be required.
Advancement and Grades

Academic Progress Email
After Spring exams end, you will receive an email from Dean Carr titled “Academic Progress Email” which contains vital information about your academic status, next steps for continued study, and instructions for how to access your transcript on insidePacific. Read this email carefully. If you are in Directed Study, on probation, disqualified, or have failed a required course, that information will be included in your Academic Progress Email. First-year students will also receive an Academic Progress Email in early-January after their first semester grades have been released.

Academic Progression
The Office of the Registrar will review your academic progress at the end of each Fall and Spring semester to determine your class attribute level using the following table which is based on 33% (Day) and 25% (Eve) completion:

Exam and Paper Return
At McGeorge, many professors return exams and papers to students, which is a practice that differs from that of many law schools. Reviewing your exams gives you an opportunity to evaluate your performance and to learn from successes and mistakes. During the semester, midterm exams/assignments are returned to students either in class or through the FSO. Final exams/assignments are available approximately 2-3 weeks following the last day of grade posting for the term. You will receive an email with instructions regarding the exam pickup process. While we are in an online delivery mode, exams and assessments will be returned electronically through the FSO or directly from your professor through Canvas or TWEN.

Withdrawal/Leave of Absence
Class attendance is a fundamental aspect of the law school’s program. Thus, no law student will be allowed to take a leave of absence for a portion of a semester, including summer.

If extraordinary circumstances dictate that a student must take time off from law school, the student must withdraw from all courses in which he/she is enrolled in that semester. Students who withdraw, other than those in the first year of the full-time program or either of the first two years of the part-time program, may request to return as soon as the following semester, but in no event may the leave continue for more than two full semesters. Eligibility to return to the law school will be evaluated by the Associate Dean for Academic Affairs and Assistant Dean for Student Affairs upon the written request of the student, including reasonable evidence that the student is ready to resume study.

A first year student in the full-time program or a student in either the first or second year of the part-time program who withdraws from the law school must reapply through the Office of JD Admissions. Eligibility to return to the law school may be denied based on academic performance as of the date of withdrawal.

Involuntary Withdrawal
McGeorge School of Law may require a leave upon specified terms, terminate a student’s enrollment, or decline to award a degree if the Administration determines it is in the best interests of the law school or that a student is not qualified for admission to the legal profession because of factors other than academic standing.

Repeating Courses
Students may not repeat courses in which they received a non-failing grade. A student who receives a failing grade ("F") in a required course must repeat that course and the highest number of grade points that can be credited is the equivalent of a “C+” grade. Under G&A Rule 701, the original grade remains on the transcript, but only the repeat grade counts for GPA purposes. (Note: different rules apply for students on probation or who have been readmitted following disqualification.)
Class Rank
At the end of each academic year, JD students are ranked against students in their academic year and division based on cumulative GPA. Class ranks are emailed to students after sufficient time has elapsed from the publication of year-end transcripts so as to allow time for changes due to petition approvals or correction of any clerical or processing discrepancies. Ranking information is not provided by phone. After spring semester 2020, individual ranks were not provided to non-graduating students. Instead, students were provided banded rankings. We anticipate returning to individual class ranks at the end of 2021.

In mid-July you will receive an email from the Office of the Registrar titled “Class Rank” that will contain your class rank. Class ranks are calculated only one time per year. Students who change divisions are ranked with the class of the division in which they are enrolled during the Spring term. Students must complete the entire academic year (enrollment in both Fall and Spring) in order to be ranked.

Grade Changes
Individual professors do not have authority to change grades once submitted, and the G & A rules expressly discourage them from re-reading examination papers for the purpose of reevaluation and grade change. Do not contact your professor directly to request a grade change.

- If you believe there is a mathematical error, contact the Office of the Registrar.
- If you believe that there was an abuse of discretion in assigning the grade, the procedure to challenge a grade is described in G&A Rule 505. Contact Dean Carr if you are considering such a petition.
- Grades cannot be changed for any other reason.

Good Standing
A student is in good standing with a cumulative GPA of 2.33 or above.

Probation
A student whose cumulative GPA falls within the range from 2.18 – 2.32 at the end of any academic year, other than the final year, may continue his or her enrollment on academic probation, under the conditions described in G&A Rule 605.1. Students cannot repeat probation.

Academic Disqualification
Under G&A Rule 605, a first year student must have at least a 1.90 GPA at the end of the Fall semester in order to advance to the Spring semester. Students who do not meet the 1.90 GPA threshold after the Fall semester are academically disqualified. After the first semester, a student is disqualified when his or her cumulative GPA at the completion of an academic year falls below 2.18, or, for a student who was on academic probation, when their cumulative GPA falls below 2.33. Procedures and timing for requesting readmission following academic disqualification are discussed in G&A Rule 703.

Application for Graduation
JD students must complete the “Application for Graduation” on insidePacific no later than the Add/Drop Deadline in the term prior to their final term. You may graduate at the end of the Fall semester, end of the Spring semester, or end of the summer sessions, but graduation ceremonies are held only once a year in May. Students should monitor their academic progress on the Degree Works program annually. The link to Degree Works is available on Inside Pacific under the Academic tab.

Any student who anticipates that they will graduate earlier or later than expected is advised to seek academic advising with the Office of Student Affairs and must notify the Registrar of any changes to your expected graduation date.
Grading

Grading System
For courses with final letter grades (as distinguished from Pass/Fail courses), grades range from A+ to F. Weighted averages are computed from exam scores and scores on any other graded assignments in the course, and the professor then designates the range of averages to equate to a letter grade.
A professor may adjust grades upward or downward based on class attendance, preparedness, participation, and performance.

Anonymous Grading
Under G&A Rule 501.1, grading in most courses at McGeorge is anonymous. Each Fall, students are given a new confidential exam number to use for assignments and exams. The professor does not know which grade goes with which student by student name.

In some courses, however, grading may not be completely anonymous. In those courses, students will use their confidential exam number for some assignments and exams and will use their name for other assignments and exams. In other courses, grading is not anonymous at all – assignments and exams are graded using only the student’s name.

Additionally, professors can provide grade adjustments based on a student’s attendance, preparation, participation, and performance, per G&A Rule 302. In such cases, the professor will necessarily know a student’s name when making the adjustment. Moreover, a professor may also opt to ascertain how a student performed on the assignments and exams in the course when deciding on an adjustment for that student.

Professors will inform students in writing of the anonymous or non-anonymous grading procedures for the assignments, exams, and grade adjustments in their course. If you have a question about how grading will operate for a particular course, please ask the professor.

Grading Scale/Scores
Under G&A Rule 411, anonymous grading in Torts, Contracts, Property, Civil Procedure, Criminal Law, Statutes & Regulations, Legal Profession, and Global Lawyering Skills I, scores are based on the following scale, which is roughly equivalent to the following letter grades:

<table>
<thead>
<tr>
<th>Scaled Points</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>100</td>
<td>A+</td>
</tr>
<tr>
<td>95-99</td>
<td>A</td>
</tr>
<tr>
<td>90-94</td>
<td>A-</td>
</tr>
<tr>
<td>85-89</td>
<td>B+</td>
</tr>
<tr>
<td>80-84</td>

</tr>
<tr>
<td>75-79</td>

</tr>
<tr>
<td>70-74</td>

</tr>
<tr>
<td>65-69</td>

<tr>
<td>60-64</td>

</tr>
<tr>
<td>55-59</td>
<td>D+</td>
</tr>
<tr>
<td>50-54</td>
<td>D</td>
</tr>
<tr>
<td>Lower than 50</td>
<td>F</td>
</tr>
</tbody>
</table>

Scores do not appear on transcripts and do not represent a final grade in a course. All scores are subject to adjustment and finalization under G&A Rule 501. In courses other than those listed above, there is no standard grading scale.

Grade of Incomplete
A grade of “INC” (Incomplete) may be entered in a course when the requirements for that course are not completed for reasons the professor deems to be acceptable. The incomplete work must be completed by the first day of classes of the second semester (including summer session) after the semester when the INC course ended. If the work is not completed and a grade change form is not submitted, a grade of “F” (fail) will be entered, as specified in G&A Rule 409. For graduating seniors, the incomplete work must be completed within 30 days of when the INC is entered or a grade of “F” (fail) will be entered.
**Subjective Interpretation of Grades**
Under G&A Rules 501 and 502, letter grades, ranging from A+ to F, with pluses and minuses, have the following subjective interpretations:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Subjective Interpretation</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Exceptional, Outstanding Performance</td>
</tr>
<tr>
<td>B</td>
<td>Very Good, Skillful</td>
</tr>
<tr>
<td>C+</td>
<td>Satisfactory Demonstration of Professional Competence</td>
</tr>
<tr>
<td>C</td>
<td>Unsatisfactory because of Some Deficiency in Knowledge or Analysis or Both</td>
</tr>
<tr>
<td>D</td>
<td>Unsatisfactory, Showing Grave Deficiencies in Knowledge and Analysis</td>
</tr>
<tr>
<td>F</td>
<td>Failing, No Demonstration of Knowledge or Analytic Ability</td>
</tr>
</tbody>
</table>

Under G&A Rule 504, units of credit for a course are awarded if the course grade is “D” or higher. No course or unit credit is granted for a grade of “F.”

**Grade Distributions**
Under G&A Rule 501, all grades in required courses other than Global Lawyering Skills I & II and Principles of Agency must meet the following grade distribution standard, in addition to the targeted arithmetic means:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Grade Distribution Standards (Min% – Max%)</th>
<th>Corresponding Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>0% - 2%</td>
<td>100</td>
</tr>
<tr>
<td>A</td>
<td>2% - 10%</td>
<td>95-99</td>
</tr>
<tr>
<td>A-</td>
<td>5% - 15%</td>
<td>90-94</td>
</tr>
<tr>
<td>B+</td>
<td>15% - 25%</td>
<td>85-89</td>
</tr>
<tr>
<td>B</td>
<td>25% - 35%</td>
<td>80-84</td>
</tr>
<tr>
<td>B-</td>
<td>15% - 25%</td>
<td>75-79</td>
</tr>
<tr>
<td>C+</td>
<td>5% - 15%</td>
<td>70-74</td>
</tr>
<tr>
<td>C</td>
<td>0% - 15%</td>
<td>65-69</td>
</tr>
<tr>
<td>C-</td>
<td>60-64</td>
<td>1.67</td>
</tr>
<tr>
<td>D+</td>
<td>0% - 15%</td>
<td>55-59</td>
</tr>
<tr>
<td>D</td>
<td>50-54</td>
<td>1.00</td>
</tr>
<tr>
<td>F</td>
<td>Lower than 50</td>
<td>0.00</td>
</tr>
</tbody>
</table>

In determining compliance with the ranges above, fractions may be rounded up or down at the discretion of the instructor. For example, in a class of 70 students, 5% = 3.5 students and 15% equals 10.5 students. The instructor may therefore give 3 to 11 grades of C+.

**Grade Point Average (GPA)**
A student’s GPA is determined by dividing his/her grade points earned by the number of units attempted, but not counting P/F units in which a grade higher than “fail” was received. Grade point values are awarded for letter grades (multiplied by the number of units for that course) as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>4.33</td>
</tr>
<tr>
<td>A</td>
<td>4.00</td>
</tr>
<tr>
<td>A-</td>
<td>3.67</td>
</tr>
<tr>
<td>B+</td>
<td>3.33</td>
</tr>
<tr>
<td>B</td>
<td>3.00</td>
</tr>
<tr>
<td>B-</td>
<td>2.67</td>
</tr>
<tr>
<td>C+</td>
<td>2.33</td>
</tr>
<tr>
<td>C</td>
<td>2.00</td>
</tr>
<tr>
<td>C-</td>
<td>1.67</td>
</tr>
<tr>
<td>D+</td>
<td>1.33</td>
</tr>
<tr>
<td>D</td>
<td>1.00</td>
</tr>
<tr>
<td>F</td>
<td>0.00</td>
</tr>
</tbody>
</table>

**Pass/Fail Courses**
Some elective courses are designated as Honors/Pass/Low Pass/Fail courses in the Catalog. Of the 88 semester units required for graduation, 72 must be earned in graded (i.e., not P/F) courses. The only P/F courses are those so designated by the faculty. Students do not have the option to enroll in a graded course on a P/F basis. Under G&A Rule 202, the following grading standards apply in P/F courses:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Subjective Interpretation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Honors</td>
<td>Work performed at a superior level</td>
</tr>
<tr>
<td>Pass</td>
<td>Work performed at an acceptable level</td>
</tr>
<tr>
<td>Low Pass</td>
<td>Work performed at the “C” or “C-” levels</td>
</tr>
<tr>
<td>Fail</td>
<td>Receives no unit credits for the course</td>
</tr>
</tbody>
</table>
Students earning the grade of “Fail” do not receive unit credits for the course. In determining a student's cumulative grade point average, units attempted in P/F courses are not counted for any course in which a grade higher than “Fail” was received.

**Grades Earned at Other Law Schools**

Grades earned at another law school and accepted towards a student’s McGeorge JD degree do not count in computing a student’s McGeorge grade point average. Only the units, not individual course grades, are recorded on a student’s McGeorge transcript.

**Grades/Transcripts**

Grades are subject to approval through the Office of Academic Affairs. Courses are graded early for seniors who are graduating in a given term. The remainder of the course may be graded later for all non-senior students.

The “in progress” section of transcripts will only show courses that are ungraded for the current term. Once the term ends, all “in progress” courses for the new term appear. Any ungraded courses at the end of a term will disappear from the “in progress” section on the transcript and will reappear in the appropriate term once the final grade is posted.

**Grading “Curve” FAQ**

**Q: Why were the G&A Rules amended to include mandatory distributions and targeted means?**

A: Previously, professors had no guidance about the distribution of grades. This led to some very high grades and some very low ones, sometimes even within different sections of the same subject. This inconsistency raised very real fairness issues, especially where class standing and scholarship monies are concerned. It also made our grading less transparent and reliable to outside audiences, such as employers.

**Q: Why did we adopt the 100 point scale?**

A: Previously, there were ten points (90-100) at the A+ level, and all the other scores were compressed between about 60 and 90. The 100 point scale spreads the scores out more, and in addition, the scores are roughly equivalent to those awarded at other institutions.

**Q: Why don’t all of my courses have to use the 100 point scale?**

A: Professors believed there was less need for scoring uniformity after the first year. Therefore, upper-division faculty have more discretion.

**Q: Do professors have to fail students?**

A: No. The G&A Committee did not want to adopt a system where professors were required to fail a certain percentage of students, and that is reflected in the mandatory distribution where grades of C and under may range from 0 to 15%.

**Q: Who should I talk to if I have a question about grading?**

A: If you want to verify what your scores were, you should contact the Office of the Registrar. If you have a question about the G&A Rules or wish to contest a grade, you should contact Assistant Dean for Student Affairs, Dean Carr, or the Associate Dean for Academic Affairs, Dean Moylan.
Grading & Advancement Committee Petition Process

The JD Grading and Advancement Committee (“G&A Committee”) is the body duly authorized to study, develop, adopt, and apply rules, regulations, and procedures pertaining to examinations, grading, advancement, graduation, and related matters for JD students. The G & A Committee presents major policy considerations to the entire faculty for debate and vote before official adoption.

G&A Rules
The JD G&A Rules (pertaining to examinations, grading, advancement, graduation, and related matters) are located on the McGeorge website. These rules are subject to amendment at any time by the faculty, without prior notice. Although the faculty seeks to avoid changes which would result in preventing a student who is satisfactorily following a regular course of study from graduating at the normal time, students do not acquire any vested rights in the continued enforcement of the G&A Rules as now set forth.

Grade Appeals
Pursuant to Rule 505b, a petition for a review of a grade must be filed within 15 calendar days of the announcement of the final grade. Mere dissatisfaction with a grade is an insufficient basis for a grade appeal. Rather, a student petitioning for review of a grade must allege abuse of discretion on the part of the professor in the evaluation of the student’s work or in assigning the grades. Grade appeals follow the same process as any other petition. The G&A Committee will review the matter in consultation with the professor involved and may grant such relief as it deems appropriate.

G&A Petitions
Any student who is adversely affected by the application of the JD G&A Rules may file a petition for relief through the Office of Student Affairs. The G&A Committee meets once per month to hear student petitions. The schedule for these meetings is set each year at the beginning of Fall Semester. Upon receipt, the Office of Students Affairs will calendar the petition for the next scheduled meeting of the Committee.

There is no specific required format for a G&A petition; typically, petitions will be in the form of a letter addressed to the committee setting forth the nature of the relief being requested and the reasons why it should be granted. In drafting your petition, be sure to review the G&A Rules to identify which rules are applicable to your circumstances and then reference those rules in your petition. Petitions should be emailed to sacstudentaffairs@pacific.edu.

Personal Appearance
Students who submit a G&A petition also have the right to make a personal appearance before the committee. The purpose of a personal appearance is to provide any additional information that was not available at the time the petition was filed and/or to answer any questions that the Committee members may have regarding the petition. If you wish to make a personal appearance, be sure to specify this on your petition and provide a phone number where you can be reached for scheduling purposes.

G&A Hearing Process
Prior to the hearing, Committee members will receive and review copies of all petitions and any attachments. If you are making a personal appearance, the Office of Student Affairs will coordinate the specific timing of that appearance with you in advance. The Committee will deliberate and make a decision after you leave the room. The Assistant Dean for Student Affairs will notify you of the outcome of your petition. The G&A Committee is the final decision-making body in matters concerning student petitions; there is no appeal to the Dean or Provost.

Students should refrain from contacting the faculty members on the Committee outside of the hearing process, as this may compromise the fairness and objectivity of the process.

Questions
Questions may be directed to the Assistant Dean for Student Affairs (Dean Carr) or the Associate Dean for Academic Affairs (Dean Moylan).
Honors and Awards

Dean’s List
Students who earn a 3.30 or higher annual GPA at the completion of an academic year are named to the Dean’s Honor List and will see a notation to that effect on their transcript. Students must be enrolled in both the fall and spring semesters in the academic year to receive Dean’s List Honors. Dean’s List eligibility may change at the discretion of the Dean.

Witkin Awards
The student who earns the highest score in an eligible course earns the Witkin Award for that course and receives a certificate from the Witkin Legal Institute. If there is a tie for the highest score, the student with the highest cumulative GPA receives the Witkin Award. The Witkin List is posted on the FSO bulletin board and LibGuides site after each term, once all grades have been finalized and all grade appeals have been heard. Certificates are available approximately 2-3 weeks following the posting of the results.

Graduation Honors

Valedictorian Awards
The graduating student in each division with the highest grade point average in the division is presented a medal that recognizes his or her achievement.

Salutatorian Awards
The graduating student in each division with the second highest grade point average in the division is presented a medal that recognizes his or her achievement.

The Order of the Coif
A national law school honor society founded to encourage legal scholarship and advance the ethical standards of the legal profession. Seniors whose academic records place them in the top 10% of the combined Full-Time and Part-Time division and who have completed at least 75% of their law studies in graded courses at McGeorge are eligible for election to membership.

With Great Distinction
Members of the graduating class whose cumulative grade point average is 3.50 or higher graduate “With Great Distinction.”

With Distinction
Members of the graduating class whose cumulative grade point average is 3.10 or higher graduate “With Distinction.”

Traynor Society

Outstanding Scholastic Achievement Award
This award is given annually to the student in each division who has made the most significant contribution toward overall legal scholarship in the graduating class. This award is intended to recognize significant study and writing in particular area, such as might be demonstrated through publication of a student comment, or other meaningful contribution to legal scholarship or study.
Outstanding Student Achievement Award
This award is given annually to a student in each division based primarily on student leadership abilities, with secondary consideration being given to the student’s scholastic standing and honors; service in government offices, committees, and special projects; participation in the Pacific Law Review; work on other student publications; participation on competition teams; outside activities; and work experience during law school.

ALI-ABA Scholarship & Leadership Award
This award is given annually to the student in each division who best represents a combination of scholarship and leadership qualities embodied by the American Law Institute and the American Bar Association. Other Awards
Nominations for awards from various organizations are made each year according to their procedures and criteria.
Dual Degree Programs

McGeorge has two dual degree programs, in which – with advance approval – graduate credit earned in one program is accepted toward the degree from the other program. The two programs include: JD/MPP and JD/MPA.

Admission
Students must be admitted separately to the McGeorge School of Law JD Program and to the program that will confer the Master's degree. Admission to McGeorge's JD Program does not guarantee admission into other degree programs, even those housed within the McGeorge School of Law.

Approval
Students who want to pursue a dual degree should consult with the Assistant Dean for Student Affairs regarding their planned course of study. Students can schedule an appointment with Dean Carr by contacting the Office of Student Affairs at sacstudentaffairs@pacific.edu or 916.739.7089.

JD/MPP and JD/MPA Opportunity
Students may pursue both a JD and a Master of Public Policy Degree (MPP) in the full-time day division, or a JD and a Master of Public Administration (MPA) in the part-time evening division. This option reduces by a year the total time needed to complete both degrees separately. Students apply to each program separately and in the first year, only Law courses are taken. Speak with counselors of both programs to learn more.

Other Programs
Occasionally, a student may be interested in pursuing a Master's degree in an area in which a dual degree program is not available, such as history, international relations, or social work. The student should consult with the Assistant Dean for Student Affairs to determine if any credit for the Master's program coursework would be accepted by McGeorge. Upon approval of a written proposal, up to 6 units of credit may be accepted toward the JD degree.

Transfer of Credit
To be accepted by McGeorge as elective credit toward the JD unit requirements, the credit (1) must be for graduate level courses, and (2) must have been earned concurrently between initial matriculation and graduation from the McGeorge JD program.

Transcript
An official transcript of completed Master’s course work to be accepted toward the JD degree must be furnished to the Registrar; only the number of units (not grades) accepted are reflected on the McGeorge transcript.

Centers of Distinction

McGeorge has three Centers of Distinction. Each Center offers students the opportunity to pursue a Certificate of Concentration in its area of legal specialty in addition to your JD degree.

Capital Center for Law & Policy
The Capital Center trains students to make and change law and policy through an interdisciplinary approach across McGeorge’s programs. The core of its programs is the nationally recognized Capital Lawyering Concentration, one of few such programs, offering specialized classes, a legislative clinic, externships, law and policy trainings and events, specialized public policy and government jobs career counseling, and networking activities with alumni and policymakers around the capital. In the Legislative and Public Policy Clinic, students lobby bills into law. The Center’s programs also include the Capital Commendation for Public Service, the Washington D.C. Fellowship, affiliation with the “Greensheets” California Legislation Review, the California Initiative Review, the Public Legal Services Society, and the Government Affairs Student Association.

Center for Advocacy & Dispute Resolution
This Center supports our outstanding Mock Trial, Moot Court, Client Counseling, and ADR competition teams, presents scholarly programs, including the annual Lou Ashe Scholar in Residence symposia and presentation, hosts the National Ethics Mock Trial Competition, and engages in international advocacy training.

The Center recently completed a several year teaching exchange with Russian law professors to enhance advocacy training in Russia. The Center has trained Chilean prosecutors and defense attorneys in client counseling, plea bargaining, and trial skills, and trained law professors throughout China in experiential learning and advocacy.

Aided by our innovative Trial and Appellate Advocacy Concentration and Global Lawyering Skills courses, our student competition teams excel. The Trial Advocacy Program is regularly ranked among the top Trial Advocacy programs in the country. One of our advocates was named the Top Gun Mock Trial Advocate in the country when she won an invitation-only competition in the spring of 2020. The Moot Court Program is frequently ranked in the top fifteen nationally and brings home too many oral argument and best brief victories to count. The school also provides students a rare opportunity to represent clients in federal court at hearings and trials through its year-long Federal Defender clinic, one of only a few in the country.

In recent years, McGeorge has also raised our profile in ADR, and now have a unique and highly regarded Prisoner Civil Rights Mediation clinic that provides students with an opportunity to mediate cases in the Eastern District of California. In June 2018, the McGeorge negotiation team won the ABA National Negotiation Competition and the International Negotiation Competition in Wales! In 2020, our ABA Negotiation Team placed third in the nation, and we placed 7th in the ABA Competition Champions calculations, which ranks schools based on performance in multiple practical skills competitions.

Global Center for Business & Development
The Global Center is dedicated to ensuring that McGeorge students are well prepared for careers in an ever-more globalized marketplace and to promoting the development and dissemination of policy research and scholarship pertaining to global issues. The Global Center co-directors, Professors Jarrod Wong and Omar Dajani, oversee the International Concentration, which guides students through curricular choices and provides those who successfully complete the coursework and other requirements with a certificate that signals international law expertise and commitment to employers.

Each year, the Global Center hosts international speaker series and symposia. Students are encouraged to attend Global Center events and join the conversation. The Global Center also runs an international internship program, through which students can apply for internships with a variety of employers and types of organizations around the world.

Q: What if there is not a Certificate of Concentration in the area of law I want to pursue?
A: If McGeorge does not offer a Certificate of Concentration in your desired practice area, there are other ways to accomplish the same aim – for example, you could take electives and pursue co- and extra-curricular activities to build your skillset and increase your connections in a specific field.

Q: Can I earn two (or more) Certificates of Concentration?
A: The short answer is “maybe.” Some programs have overlapping requirements that make it feasible to complete both. For example, if you take Federal Income Taxation, it will satisfy a requirement for both the Business and Tax Concentrations. However, depending on which two programs you want to pursue, you may find it difficult (if not impossible) to complete both due to the inevitable conflicts you will encounter in the academic schedule. If you find yourself in this position, it would be wise to consider whether your efforts might actually be better focused elsewhere, such as pursuing Legal Clinic or Externship positions in both of your areas of interest (which are another way to build your resume) rather than devoting virtually all of your elective units to completing two Concentrations.

Please consult with Dean Carr and/or the Concentration Director if you have any questions.
International Study Opportunities

European Summer Experience
Broaden your law school experience by taking advantage of McGeorge’s unique summer program in Salzburg, Austria. Salzburg has been the site of McGeorge School of Law’s annual Summer Program on International Legal Studies since 1974. The three-week program in Salzburg offers international and comparative law courses in public and commercial law fields. European and American faculty, as well as renowned practitioners teach courses. To learn more about the Salzburg Summer Program, email mcgeorgesummerabroad@pacific.edu.

In addition to the academic program in Salzburg, students may also enroll in one-unit externships with legal offices abroad to be completed in advance of the Salzburg program. Participating in an externship provides practical legal education, as well as promotes networking globally with lawyers in other jurisdictions.

Please note that all students who participate in the Salzburg Summer Program must be enrolled students at an ABA-approved law school as of the first day of the program in order to participate, meaning that any student who is academically disqualified after the Fall or Spring semester will not be able to participate. Please consult with Dean Carr before enrolling in the program if your GPA is below a 2.5 after the Fall semester.

Exchange Programs
Add a true international dimension to your JD experience by participating in an Exchange Program, spending a semester or year studying law at a university in another country. McGeorge currently has exchange agreements with four universities:

- **University of Salzburg, Austria** – Salzburg is located at the geographic and historic crossroads of Central Europe. Classes are held in the Law Faculty Building of the University of Salzburg, located in a renovated 16th Century palace in the heart of Salzburg’s historic Old Town. Courses are taught in English and focus primarily on the law of the European Union.

- **University of Parma, Italy** – the University is located in a strategic part of a lively city, full of cultural life and particularly welcoming towards students and their diverse needs. The size of this University, neither too large nor too small, together with Parma lifestyle attracts a large number of students from all over Italy. Courses are taught in Italian and English. Some fluency in Italian is recommended.

- **Catholic University of Louvain, Belgium** – The entire town of Louvain-la-Neuve was built around the campus of this university in the French-speaking part of Belgium. Some courses are held in English, but to be able to participate in this exchange, some fluency in French is preferred. Applications for the Fall semester must be submitted by the previous May 31 and for the Fall semester by the previous October 31.

- **University of Copenhagen, Denmark** – This University has been around for centuries and is located in the heart of Denmark’s largest city. It offers a full selection of law courses in English, so knowledge of Danish is not necessary to study there. Students must be nominated by McGeorge to participate in this exchange, and interested students should request to be nominated no later than May 31 for enrollment in either the following Fall or Spring semester.

These Exchange Programs give you an opportunity to get first-hand knowledge of another country’s legal system and culture. Gaining a global perspective is essential in today’s legal practice. Approved classes taken at these universities will qualify for credit towards your JD degree. If you are considering an Exchange Program, please contact Clemence Kucera at ckucera@pacific.edu or 916.739.7353 at your earliest stages of planning.
Summer Abroad Programs at Another ABA Accredited Law School
McGeorge students may take up to six units of elective credit at another ABA-accredited law school. To request permission, submit a Rule 902 Application to the Office of Student Affairs (pick up a paper copy of the application in-person or email sacstudentaffairs@pacific.edu for the electronic version). Upon approval, McGeorge will accept up to 6 units of credit earned with passing grades in elective courses (not Externships).

International Externships/Internships
Students can earn academic credit for international Externships/Internships (also referred to as a “Semester-In-Practice” or “Summer-In-Practice”), or they can elect to volunteer. In recent years students have gone to Vietnam, the Netherlands, Germany, Italy, Guatemala, Cambodia, India, Switzerland (Geneva), China, and Hong Kong, among other places. A listing of available international internships is regularly updated and is available through the CDO. For students interested in interning in a foreign private practice, please contact Clemence Kucera at ckucera@pacific.edu or 916.739.7353.

Related International Activities
- Visiting Scholars: The Global Center hosts distinguished foreign professors or jurists who complete independent research projects, audit courses, and participate in campus events.
- Visiting Foreign Faculty: The Global Center hosts 2-3 distinguished professors or practitioners each year who teach elective courses.
- International Law Society: McGeorge’s International Law Society (MILS) is a student organization that brings together those interested in international law. Members meet to discuss current legal trends and the club sponsors speakers on current international topics.

Opportunities to get involved with the above events and activities are regularly featured in The Docket and The WRIT.

Fast Track LLM in Water Resources Law
Our Fast Track LLM program allows JD students at Pacific McGeorge to apply up to 12 credits of JD coursework towards the LLM in Water Resources Law. You may specialize in either U.S. or international water law and earn your LLM degree in just one additional semester of study.

If you are interested in pursuing this advanced degree in water law, we encourage you to consider the fast track option during academic planning. The ideal time to apply for the fast track LLM is during the Spring of your 2L year. For details about the program and application process, contact the Graduate and International Programs Office at graduatelaw@pacific.edu or 916-739-7019. You can also find more information online at go.mcgeorge.edu/waterlaw.
Legal Clinics have been a hallmark of McGeorge for over 50 years. We have a broad array of clinical programs to meet our students' learning needs and to serve our community's legal needs. Clinical experience is one of the ways that our school shows its commitment to public service, social justice, and real-world work experiences for our students. We teach what can best be learned through experience: creative problem-solving and skilled advocating for clients. Visit the Legal Clinics Facebook page and website at mcgeorge.edu/Students/Academics/Experiential_Learning/Legal_Clinics.htm.

Community Legal Services (CLS)
Our three on-campus clinics (Immigration Law, Elder and Health Law, and Bankruptcy) are known as Community Legal Services. Law students are placed in the role of an attorney in a law office setting serving low-income clients. Students take major responsibility for real cases under careful faculty supervision, deal with the particular issues in the pending cases, learn case management and then use those real-life experiences to discuss in an academic setting the issues that lawyers face in their legal careers. Students often appear in administrative, state, and federal courts. CLS also employs full time work-study students during the summer.

Hybrid, Off-Campus Clinics
We have also established two innovative hybrid clinics (Federal Defender and Prisoner Civil Rights Mediation), each with an important community partner, where students do much of their work off-campus. Our Federal Defender Clinic is one of only a few such clinics in the country.

Legislative and Public Policy Clinic
Our Legislative and Public Policy Clinic recognizes the role of lawyers in the public policy arena. Students advocate for and draft legislation and policy to be sponsored by members of our community and other clients.

All Clinics include a seminar component.

Clinic Descriptions

Bankruptcy Clinic
students represent (under supervision) debtors and creditors in bankruptcy proceedings. Students interview and counsel clients as well as assisting clients in all aspects of case assessment, negotiation & settlement, and representation of debtors in bankruptcy proceedings in the United States Bankruptcy Court for the Eastern District of California.

Elder Law and Health Clinic (which includes its Homeless Advocacy Project) students represent (under supervision) people over aged 60 and those experiencing homelessness with a variety of issues unique to the aging population including, alternatives to conservatorships, wills, trusts, powers of attorney, social security, Medicare/MediCal, and elder abuse. Elder law (including health issues for the elderly) is one of the country's growing areas of legal specialization. Students will: Acquire a command of complicated substantive state and federal law, as well as a high level of ethical competence. Students have the opportunity to represent elders in court in probate, financial abuse litigation and restraining orders, which includes depositions, motions and other civil litigation tools. Students represent clients in transactional matters concerning planning for death, incapacity and a variety of other issues. Students also participate in joint classes with UCD medical students. In addition to elders, students in this clinic provide civil legal services to persons experiencing homelessness.

The Homeless Advocacy Project is part of a medical-legal partnership with our legal clinics and WellSpace Health. Legal services include access to public benefits, reduction of fees and fines, criminal record expungement, drivers’ license reinstatement, and child support modifications.
Federal Defender Clinic students represent (under supervision) indigent defendants in federal court. Students work on cases under the joint supervision of two Assistant Federal Defenders. Draft legal memoranda, argue motions, handle jury and bench trials, and develop a working knowledge of criminal and sentencing statutes. Clinic students have represented clients in more than 100 cases since the Clinic opened in 2009, and they have won some impressive victories.

Immigration Law Clinic students have the opportunity to represent (under supervision) indigent non-citizens before the Department of Homeland Security and the Executive Office for Immigration Review in applications for various immigration benefits including adjustment of status and relief from removal. Students provide legal assistance to low-income clients on immigration matters, including VAWA, adjustment of status, specialized visas (U, T and DACA), unaccompanied minors, as well as representation in Family Court and adversarial proceedings before the Immigration Court. Students work on all phases of the case from the initial consultation to preparing the closing letters. Clinic students interview and counsel clients, as well as prepare declarations, legal briefs and supporting exhibits in their representation of clients before the US Citizenship and Immigration Service.

Legislative and Public Policy Clinic is a year-long clinic in which students identify areas of law and policy suitable for reform. Students: collaborate with other clinic students in our various clinics, community organizations and experts to craft statutory language that is submitted to the Legislative Counsel's office. Working with community sponsors, authors are identified to introduce a bill for legislative action. Participation in the Capitol Certificate Program is preferred, but not required.

Prisoner Civil Rights Mediation Clinic students co-mediate section 1983 prisoner civil rights cases with a federal magistrate judge. Students learn both the theory and practice of mediation and develop the skills necessary to serve as mediators, including participating in mediation simulations. Students will also learn section 1983 prisoner case law.

What people had to say about the Legal Clinics:

- "Law firms are looking for students who have been in a clinic, represented clients in a courtroom under the supervision of an attorney, have been in trial competitions. These (factors) carry more weight than before."
  
  John O'Malley, attorney at Delfino Madden O'Malley Coyle & Koewler, in an interview with Comstock’s magazine

- "I learned a lot at the clinic and how to do my best within a system that is rushing to detain immigrants—often without due process. Working at the clinic helped me leverage my skills in the workforce."
  
  Katie Fleminc '11, FUEL Network, California Rural Legal Assistance.

- "Trying to help these clients function in the judicial system is very rewarding. One of our young clients, a crime victim who had been ostracized by her community, is finally able to apply for permanent citizenship. Now she and her family are able to come out of the shadows."
  
  Blake Nordahl, Professor of Lawyering Skills and Supervising Attorney of the Immigration Clinic

- "My clinic experience provided me with real life situations and not the typical classroom environment. I interviewed clients, conducted factual investigations and legal research for my cases, drafted legal documents and pleadings, and represented clients at hearings. I was able to see how legal issues play out and are resolved in the real world, and as a result I am a better-prepared attorney."
  
  Cheryl Robertson '10, Litigation Attorney at Dummit, Buccholz, and Trapp

- "I got to represent a client at an elder abuse restraining order hearing, argue in front of a judge, and cross examine a defendant. I can’t stress enough how important it was to do the restraining order hearing because it showed me the amount of time and dedication it takes to be a successful advocate for my client."
  
  Chancellor Veal ’17, Attorney, Board of Parole Hearings

- "Clinic work is the perfect experience for our students — a combination of advocacy, ethics and professional growth. Best of all, there are some very grateful clients who couldn’t have access to the legal system and social justice without us."
  
  Melissa Brown, Director, Legal Clinics and Professor of Lawyering Skills
Externships

Externships promote real-world practical experience by assisting students to think outside the box about their options, potential and goals. Approved General Externship and Judicial Externship opportunities allow students to earn academic credit, develop skills and legal knowledge, experience daily legal practice, and build resume and networking opportunities. Visit our Director of Externships, Colleen Truden, for approved Externship Sites at local, state, and federal courts, government agencies, and nonprofit entities.

- Students will not be allowed to register for, or participate in, any Externship Site that requires a background check unless the background check has been approved before the first day of the semester classes.
- Some Externship Sites will require a student become a certified law student by the California Bar. calbar.ca.gov/Admissions/Special-Admissions/Practical-Training-of-Law-Students
- Students on academic probation at the start of a semester are not eligible to serve in an Externship.
- Due to the COVID-19 pandemic, all externship sites must abide by state and local regulations to maintain the health and safety of their employees. As a result, some externships will be conducted remotely or in a hybrid in-person/remote capacity. Individual externship sites should ensure that the overall externship experience will be minimally impacted by these parameters.

Externship Interview
- The Externship Site will contact you directly, if they want to interview you.
- Schedule your interview at a mutually convenient time.

Registration
- Contact the Externships Office for Registration instructions upon receiving your Externship offer.

Getting Started
- Complete your Notice of Intent at mcgeorge.edu/Externship_Notice_of_Intent_Form.htm
- Mandatory meeting with Dean of Students to determine your academic schedule and eligibility, and to develop a plan for meeting all graduation requirements
- Mandatory appointment with the Director of Externships to discuss your eligibility, potential externships and the application approval process.

Be Advised
- Not all Externships are approved for a SiP and each Externship must be separately approved by the Director.
- The full-time SiP requires early planning, is very demanding, and is designed to fulfill a full semester of classes. Students chosen to participate should not expect to be approved for additional classes. Contact the Externships Office to schedule an appointment to explore your opportunities.
Competition Teams

Our student teams are top performers in some of the most prestigious national and international competitions. Through participation on a competition team, you can expand your courtroom or alternate dispute resolution experience, improve oral and written advocacy skills, and refine client counseling, negotiation, and arbitration skills. Team membership is based on a competitive application process.

First-Year Competitions
The Ben Franz Mock Trial Competition and the First-Year Moot Court Competition take place each Spring semester and all 1D and 1E students who are interested in advocacy are encouraged to participate. These competitions help to identify talent for our teams, but are open to all students irrespective of whether they decide to try out for spots on the competition teams.

How does it work?
The competitions are organized by upper-division students. Interested 1D and 1E students sign up to participate in one or both competitions and receive training and instruction in trial and/or appellate advocacy from the upper-division student-organizers. The competitions are designed and dates are selected to allow students to participate in both opportunities.

All 1D and 1E students who sign up get to compete in the preliminary rounds. Those who score highly advance to the finals.

The top three finalists in the Ben Franz First-Year Mock Trial Competition receive a scholarship, have their name permanently engraved on a plaque on display in the Courtroom Trophy Case, and are almost always selected as competition team members the following year.

The First-Year Moot Court Competition awards cash prizes to the top oralist, top brief writer, and top advocate, plus top performers are regularly offered research assistant positions during their second year. Moot court research assistants are then given top priority for selection as team members in their 3L year. Hence, competing, and performing well, in the 1L moot court competition provides an added reward.

Keep an eye on your University email for more information about participating in these competitions during your first year.

Mock Trial Competition Team
Our Mock Trial Teams are comprised of 2D, 3D, 2E, 3E, and 4E students who display talent in trial advocacy and a willingness to work hard to achieve excellence. The teams compete against law schools throughout the country, engaging in every phase of trial practice including arguing pretrial motions, opening statements, closing arguments, and direct and cross examinations.

Why try out for Mock Trial?
Our teams have won many trophies all over the country and have an excellent national reputation. This past year U.S. News and World Report ranks us highly, in large part because of the success of our teams. Many of our Mock Trial Team alumni have become extremely successful trial lawyers and judges, owing their jobs and success in large measure to the training they received during their time on the team. Prospective employers in Sacramento are favorably impressed when they learn that a graduate seeking a job was a team member. We maintain a close to 100% employment rate for graduating team members. The Sacramento District Attorney and Public Defenders Offices are among the many organizations that continue to hire our graduates’ year after year.

Where do our teams compete?
Our teams compete throughout the United States. Some team members comprise our scrimmage team which competes against another McGeorge Mock Trial team on campus in the Fall and participates as a traveling team in the Spring. The mock trial fact patterns are almost always derived from real cases around the country.
The Annual All-McGeorge Competition
Each year in January our trial teams compete against the four top performers in the Fall Trial Advocacy course (called the Mock Trial Honors Team) in the intraschool All McGeorge Competition. The competitors are scored by experienced trial lawyers and former trial teamers. 16 additional students play the roles of live witnesses during the rounds. Those students get to play different roles on the stand, viewing advocacy from the perspective of testifying witnesses.

Who can try out for the Mock Trial Team?
All 2D, 3D, 2E, 3E, and 4E students not on probation are eligible to try out for the Mock Trial Team. We have had several Part-Time students join the team and compete for three consecutive years. Having completed or being concurrently enrolled in Evidence and Trial Advocacy is a plus but not a prerequisite to making the team.

When are Mock Trial Team tryouts?
Preliminary tryouts are typically held in late April. Students work with a short fact pattern and perform five minutes of a cross examination and five minutes of a closing argument. 24 to 26 students are called back for final rounds a week later. From this group of finalists, 16 to 20 are chosen to be on the team.

Commitment and Units
Once chosen to be on a team, students participate in a late-summer boot camp, culminating in an intra-squad competition at the beginning of the school year. During the year, students attend practices three times a week. Teams generally compete in one to two competitions in the Fall and again in the Spring. Team members are also required to participate in a full-year Mock Trial Evidence course where they learn how to apply the Federal Rules of Evidence in a courtroom setting. The Mock Trial Evidence class is 1 graded unit each semester. In addition to the units earned from Mock Trial Evidence, traveling teams earn 2 P/F units over the academic year, and scrimmage team members earn between 1 and 2 P/F units over the same period, depending upon the number of competitions in which they compete.

Ferris/White $10,000 Trial Advocacy Award
Each Spring one outstanding Trial Advocacy/Mock Trial student is awarded a $10,000 prize for displaying superior skill in the courtroom. Two other students receive the Trial Advocate of the year and Joseph Taylor Excellence in Advocacy Award, both of which include small cash prizes.

Trial Advocacy Association
There are opportunities to participate in Trial Advocacy-related events, even if you are not a Mock Trial Team member, by joining the student-run Trial Advocacy Association. Among other activities, this organization holds meetings focusing on advocacy issues, invites outside speakers to serve on panels, participates in the Mock Trial Summer Trial Advocacy Training Program and helps run our first-year Ben Franz Mock Trial Competition.

National Ethics Trial Competition
In the Spring, Professors Leach and Bricker run the National Ethics Trial Competition, where teams from around the country compete at the Federal Courthouse downtown. Over the course of this four-day competition, numerous student volunteers are needed to act as live witnesses, bailiffs and clerks in the courtrooms.

**Moot Court Competition Team**

McGeorge has one of the top Moot Court programs in the country. In recent years, it has been ranked in the top ten of all law school Moot Court programs on two independent listings. The program offers opportunities for students to compete nationally and internationally in as many as 15 different competitions.

**What is Moot Court?**

Moot court deals with the appellate side of advocacy. As such, it emphasizes legal writing and oral argument. All students who have completed their second year of law school are eligible for moot court. Selected students show strong skills in either written advocacy, oral advocacy, or both. All of the Moot Court teams are coached by McGeorge professors and by Moot Court Program alums.

**Why try out for Moot Court?**

Many employers are now viewing Moot Court team membership on par with law review work because of the direct correlation it provides to actual practice. Students who achieve success in Moot Court invariably have the skills to be successful practicing attorneys because of the high degree of writing and oral skills the practice of law requires, and because of the evidence of strong time-management skills participation in Moot Court promotes. Moot Court alums are especially loyal to the program. Many hold that it is the most significant and rewarding single activity they participated in while in law school. In addition to the excellent instruction in appellate advocacy they receive, students find the experience of competing on behalf of their law school in a program that is nationally recognized especially meaningful.

**Where do our teams compete?**

McGeorge competes in around 10 Moot Court competitions a year. They deal with the following areas of law: criminal procedure, entertainment law, corporate law, admissibility of evidence, asylum and immigration law, human rights law, constitutional law, hate crime legislation, copyright and trademark law, cultural heritage law, employment law and international law.

**How do I become a team member?**

Membership on the competition teams is based on acceptance onto the Moot Court Honors Board, which is a student-run organization that is supervised by the Faculty Director of the Moot Court Program, Professor Ed Telfeyan. In addition to the Honors Board, some 2L students serve as research assistants for specific competition teams. These RAs are chosen by virtue of their success in the intra-school first-year moot court competition.

**When do I apply?**

Students apply for the program at the end of the Spring semester of their second year. Acceptance is based in large part on the work in the second-year Global Lawyering Skills course which includes the preparation of a full appellate brief and the presentation of a full appellate oral argument. New members of the Honors Board are chosen the following summer.

**Advanced Appellate Advocacy**

All Moot Court team members are required to take the Advanced Appellate Advocacy course Professor Telfeyan teaches. That course is a two-semester, four-unit graded course.

**Moot Court Society**

The Honors Board also runs the Moot Court Society, which is a club that is open to all students. Every year the Moot Court Society features a guest speaker on the subject of appellate advocacy. In past years jurists like Justice Kathleen Butz and George Nicholson of California’s Third District Court of Appeal and appellate attorneys have been featured.

**More Information:**

For more information about the McGeorge Moot Court program, contact Professor Ed Telfeyan at etelfeyan@pacific.edu or 916-739-7340, or any of the current Moot Court Honors Board members.

For more information about the Moot Court Society, contact Arvinder Kaur at a_kaur5@u.pacific.edu or or Henry Ng at h_ng2@u.pacific.edu.
ABA Negotiation Competition

Team
The ABA Law Student Division Negotiation Competition provides a means for law students to practice and improve their negotiating skills. The competition simulates legal negotiations in which law students, acting as lawyers, negotiate a series of legal problems. The simulations consist of a common set of facts known by all participants and confidential information known only to the participants representing a particular side. All of the simulations deal with the same general topic, but the negotiation situation varies with each round and level of the competition. In June 2018, the McGeorge negotiation team consisting of Doug Leach, ‘18 and Leah Parrish, ‘18 and coached by Claudia Wrazel won the ABA National Negotiation Competition and the International Negotiation Competition in Wales! Contact the ADR Club President Ashley Shepard at a_shepard@u.pacific.edu if you are interested in learning more.

Client Counseling Competition

Team
The ABA Client Counseling Competition is a unique competition in that it requires students to master knowledge of a particular area of law and use skills of interviewing, listening, and empathy to discern a client problem and to counsel the client on a path towards resolution of that legal problem. Judges are lawyers and counselors, and the student lawyers meet with various actors playing different client roles throughout the competition. The legal subject matters change from year to year, but they often involve torts, professional responsibility, and ethics. Students are selected for the ABA Client Counseling team that competes in the Spring through participation in the Client Interviewing and Counseling course offered in the Fall semester. For more information, contact Kathleen Friedrich at kfriedrich@pacific.edu.

Mock Trial, Moot Court, and Other Advocacy Teams

Participation Policy
McGeorge School of Law has approved moot court, mock trial and other similar advocacy programs, directed by full-time faculty members, where the students are selected on a competitive basis. No student or team of students may enter any other moot court, mock trial competition, excluding intra-mural competitions, or any other advocacy competition without the approval of the director of the relevant program. The purpose of this policy is to ensure that any student or team of students seeking to compete in such competitions receives adequate instruction and coaching and that any such individual or team represents the law school in a favorable light.
Journals

The University of the Pacific Law Review ("UPLR") is a student-run, scholarly journal published on a quarterly basis that contains articles written by members of the bar and bench, legal analysis and commentary on cutting-edge transnational issues, student-authored comments, and student-authored reviews of recently enacted California legislation. Eligible students have two opportunities to solicit for UPLR membership:

**Review of California Legislation ("Greensheets")**
Greensheets, named for the distinctive color of its pages, reviews recently enacted California legislation. The top 50% of students in the 1D/2E classes are eligible to compete for Greensheets membership through the solicitation process each March. Solicitation consists of a closed-research writing competition. Staff Writers spend the summer writing articles about bills making their way through the Legislature. Creditworthy articles are eligible for publication.

**Comment**
Rising 2D and 3E students who meet any of the following criteria and have not previously solicited for Comment are invited to participate in solicitation: top 50% of their class; Witkin award in GLS I; current Greensheets member (upon successful completion of Greensheets assignments); and transfer student in the top 50% of their former law school class. Solicitation consists of a closed-research writing competition in July. Each Staff Writer will spend the year writing persuasive comments on a unique legal issue of their choosing. The Board of Editors will select comments for publication in the following year’s volume.

**UPLR Editors**
2D and 3E members of Greensheets or Comment are eligible to run for Board or Editor positions for the following year.

**2020-2021 Board of Editors**
- Thomas A. Gerhart, Editor-in-Chief
- Amir Joe Kallas, Chief Managing Editor
- Mike Adams, Chief Technical Editor
- Lauren Hirota, Chief Comment Editor
- Madeline Orlando, Chief Legislation Editor
- Nico Chapman, Chief Articles & Symposium Editor
- Josh La Bella, Chief Production Editor

Directed Research

Directed Research provides the opportunity for JD students to engage in a comprehensive individual research project under the supervision of a full-time faculty member. The work product may take the form of a scholarly paper, empirical study, analysis of topical readings, or other creative format that demonstrates in-depth legal research and original analysis.

Advance Approval Required
Advance approval of the research topic and unit credit is required. A student must submit a detailed written proposal of the research topic and obtain approval from a full-time faculty member willing to supervise the student’s research. The proposal and a completed “Directed Research Request Form” (available online on the McGeorge website on the Registrar menu) must then be submitted to the Registrar by the last day to add/drop of the term in which the student intends to enroll in Directed Research. Directed Research in a course cannot be added after the add/drop or for previous terms.

Supervision Required
Directed Research must be supervised by a full-time faculty member on a regular basis. Specifics regarding supervision of the course are left to the supervising faculty member, but the general expectation is that the student will provide an outline and draft of the project at established deadlines, and the faculty member will provide regular feedback to the student.

Number of Units
A student may enroll for either 1 or 2 credit hours (Honors/Pass/Low Pass/Fail) for Directed Research. A student is expected to put in at least 50 hours of work for each credit hour. If the resulting work product is a paper, as a general rule, the student should produce a paper of approximately 15-20 pages in length for 1 unit of credit or 25-30 pages in length for 2 units of credit.

Limitation
A student is not permitted to receive credit for Directed Research for a project produced for the student’s employer or for any other law school course or activity.
Student Complaint Procedure
(ABA Standard 510)

American Bar Association (ABA) Standard 510 requires each law school to publish and comply with policies regarding student complaints that address the school’s program of legal education.

Any student at the law school who wishes to bring a formal complaint to the administration regarding a significant problem that directly implicates the school’s program of legal education and its compliance with the ABA Standards, should do the following:

1. Submit the complaint in writing to the Assistant Dean for Student Affairs. The complaint may be sent via email, U.S. Mail, facsimile, or delivered in person to the Office of the Assistant Dean for Student Affairs. There is also a web-based form located online at mcgeorge.edu/Student_Complaint_Process.htm.

2. The complaint should describe in detail the behavior, program, process, or other matter that is at issue, and should explain how the matter directly implicates the law school’s program of legal education and its compliance with a specific, identified ABA Standard(s).

3. The complaint must contain the complaining student’s name, his/her student ID#, his/her official law school email address, and his/her current mailing address.

When an administrator receives a student complaint that complies with the foregoing requirements, the following procedures shall be followed:

1. The Assistant Dean for Student Affairs will acknowledge the complaint within three business days of receipt. Acknowledgement may be made by email, U.S. Mail, or by personal delivery, at the option of the Assistant Dean.

2. Within 10 business days of acknowledgement of the complaint, the Assistant Dean for Student Affairs, or the Assistant Dean’s designee, shall respond to the substance of the complaint, either in writing or in person, and shall indicate what steps are being taking by the law school to address the complaint. If further investigation is needed, the complaining student shall, upon conclusion of the investigation, be provided with substantive response to the complaint within 10 business days after completion of the investigation.

3. Any appeal regarding a decision on a complaint shall be brought before the Associate Dean for Academic Affairs. Any appeal from the decision of the Associate Dean shall be brought before the Dean of the Law School. The decision of the Dean will be final. Any appeal must be brought within 10 business days from the date of the response by the Assistant Dean or the Associate Dean.

4. A copy of the complaint and a summary of the process and resolution of the complaint shall be kept in the office of the Assistant Dean for Student Affairs for a period of eight years from the date of final resolution of the complaint.

Questions
Please direct questions about this policy to the Assistant Dean for Student Affairs, Dean Carr at jcarr@pacific.edu.

Registration Policies and Overview

Timing
McGeorge has annual registration, meaning that students will register for the entire academic year (Fall and Spring) during late June. Students register via insidePacific web registration (instructions below). Registration for summer school takes place in mid-March.

Spring Registration for First-Year Students
Incoming/first-term JD students will be pre-registered for their Fall courses by the Office of the Registrar during First Week. First-year students will register for their Spring courses in September following the start of the Fall term. Students will receive an email with detailed instructions.

Summer School
Full-time students are encouraged to gain practical experience during the summer

2-5 units

*If during your final semester you wish to take fewer than the minimum number of units required for your division and be charged tuition on a per-unit basis, you must submit a written request in advance to Dean Carr at jcarr@pacific.edu.
Adding Classes
Students may add classes until the Add/Drop Deadline. No student will receive academic credit for any course unless he/she is officially registered in the course prior to the add/drop deadline. Some courses have special enrollment procedures, such as an application process. A select number of courses require instructor approval to enroll. These special cases are noted in the registration instructions sent to students each Spring. McGeorge has established wait list procedures for adding closed classes (see “Closed Classes and Waitlists”). Students must follow these procedures and should not seek instructor approval for adding a class. Late add requests must be submitted in writing (email) to Assistant Dean for Student Affairs, Dean Carr.

Dropping Classes
Students may drop any upper-division course without approval through the Add/Drop Deadline. It is the student’s responsibility to know the tuition and fee refund provisions. After the Add/Drop Deadline, classes may be dropped for good cause and only with the written approval of the Assistant Dean for Student Affairs (Dean Carr) and will result in a “W” on the student’s transcript. No class may be dropped after the last day of classes. First-year students may not drop classes except in extraordinary circumstances. When such circumstances exist, the Assistant Dean for Student Affairs (Dean Carr) may permit a full-time student to drop to the standard first-year part-time course selection. No other courses may be dropped. Students who stop attending a class and do not complete the formal drop process are subject to receiving an “F” grade and are liable for tuition. Students who do not take a final examination or complete required coursework will receive an “F” grade.

Closed Classes and Waitlists
Waitlists are formed after a class is full (aka, “closed”); waitlists determine the priority for enrollment as seats become available. During the initial registration period, students confronted with a closed class should place their names on the waitlist immediately. Our waitlists often clear, so there is a good possibility that you will get into the course. Nonetheless, it is imperative that you have a backup option, in case you do not get in off the waitlist. If you are on the waitlist for a course, check your email daily. The waitlist system is automated and will send seat notifications, even while we are closed for weekends and holidays. Waitlist offers are only valid for 24 hours. If you do not add the course within the 24-hour valid window, the system will remove you from the waitlist. You may add yourself back to the end of the waitlist if you wish to continue trying to add the course.

Classes with Insufficient Registration
Classes with insufficient registration may be cancelled at the discretion of the Associate Dean for Academic Affairs.

Course Time Conflicts
Students may not register for courses if meeting times overlap in whole or in part. Not even a one-minute overlap will be allowed.

Prerequisite and Concurrent Enrollment Requirements
To determine whether a course has a prerequisite or concurrent enrollment requirement, please read its course description, which is available online at catalog.pacific.edu/sacramento/mcgeorgeschooloflaw/#courseinventory.

Unit Defined
Consistent with the requirements of ABA Standard 310, a “unit” is an amount of work that reasonably approximates: (a) not less than one hour of classroom or direct faculty instruction and two hours of out-of-class student work per week; or (b) at least an equivalent amount of work as required in subparagraph (a) for other academic activities, including simulation, field placement, clinical, co-curricular, and other academic work leading to the award of units.

Holds
You will not be able to register for classes if you have an outstanding balance, unless you have made satisfactory payment arrangements with the Law School. Prior to your registration window, you should check insidePacific to confirm that there are no holds on your account. If there is a hold on your account, you cannot register for classes.
Registration Issues
If you encounter any problems while trying to register, immediately email the Office of the Registrar at sacregistrar@pacific.edu. The Registrar’s Office staff will be available via email during Registration to assist students with troubleshooting registration issues on a first-come-first-served basis so as to most quickly resolve any issues that may arise.

GLS II Registration
GLS II is a required course during the second year of the JD program. Because the Spring GLS II course material is a continuation of the Fall material, students must register for the same professor in the Spring term that they chose for the Fall, no exceptions.

Bar-Tested Courses
Although not required for everyone, all students are strongly encouraged to take Business Associations, Community Property, Criminal Procedure, Remedies & Principles of Law, and Wills & Trusts as these subjects are tested on the California bar exam. Because of their importance, these courses are regularly offered several times each year in both day and evening time slots. Additionally, PASS I and PASS II, which help students prepare to be successful on the bar exam, are highly encouraged for all students.

Intersession
McGeorge offers one-unit classes which start the week prior to the Spring semester. Students may utilize Spring tuition units to enroll in these Intersession courses.

Assessment & Review Sessions
Faculty believe that regular assessment and feedback about academic progress is key to student success and therefore schedule assessments throughout the semester, particularly in bar-tested courses. Blocks of time have been designated for this purpose for first year students and are labeled on your schedule as "Assessment & Review Sessions." These sessions will be held on an as-needed basis; students should plan their schedules accordingly by reserving these blocks in their individual calendars.

11. Your cart will be saved in your InsidePacific account. You may login at a later date to register for classes. Your cart link is located under the Schedule Planner.

12. Press “Register.”
Registration Quick Tips

1. You must select the correct term.
   It sounds so simple, and yet hundreds of students have called the Registrar’s Office to ask this question during registration! You must select the term with “Law” in it, or you will get an error message.

   ![Image of correct term selection](image1.png)

   ![Image of incorrect term selection](image2.png)

   If you get an error message that says "No registration appointment has been assigned to you," then you probably selected the wrong term. If you see this message, go back and try selecting the “Law” term before contacting the Registrar’s Office for help.

2. You are not automatically added to the waitlist when you try to add a full class.
   To add yourself to a waitlist, you need to select “Web Wait List” from the dropdown menu and hit “submit” to make it official. Here’s what it looks like:

   ![Image of adding to waitlist](image3.png)

   ![Image of adding to waitlist](image4.png)

   ⬅ You tried to add Evidence, but it was full...

   ⬅ Select “Web Wait List” from the dropdown menu and hit the “submit” button...
3. Registration Appointment Time
Your Registration appointment time is not visible until 9:00 a.m. It is there, but you won’t see it until it goes live at 9:00 a.m. on the dot. We also recommend that you register at 9:00 a.m. on the dot!

4. Check for holds before registration begins.
If you have a hold on your account, you will not be able to register for classes. To confirm you do not have a hold, navigate to the student records screen and click on “View Holds.”

5. Registration Issues
If you experience registration issues and cannot register for a course, do not panic. Quickly send an email to: sacregistrar@pacific.edu including: your name, student ID number, CRN, and the error message or registration problem. Unfortunately, we cannot answer calls, emails and walk-in traffic simultaneously, so we will answer the emails in the order they are received to be fair to all students. We are here to help you and will respond to each question or concern as quickly as possible.

**On-Campus Interview Program**
Each fall and spring, we invite legal employers to the McGeorge campus to interview second- and third-year students for summer and post-graduate positions. Our OCI program is a unique hybrid of private and public employers of all sizes, and our OCI employers have a wide variety of GPA and class rank requirements, thereby allowing all of our students the opportunity to participate.

**Diversity Fellowships**
**Sacramento County Bar Association (SCBA)**
1L Summer Diversity Fellowship: The SCBA sponsors a Diversity Fellowship for paid summer employment with top Sacramento law firms after your 1D or 2E year in law school.

**Bay Area Minority Summer Clerkship Program:**
Several law firms in the San Francisco bay area participate in this program that places minority students in paid associate positions with some of the area’s most prestigious law firms.

**Other Diversity Fellowships:** Many law firms throughout California and the country offer diversity fellowship programs for law students the summer after their 1L year. Watch your email for more information.

**Fellowships**
Typically, a fellowship is a term-limited opportunity in a public interest practice. Fellowships can either be summer opportunities during law school (e.g. Peggy Browning Fellowship, EJW Summer Corps), or post-graduate opportunities (e.g. Equal Justice Works). Fellows are able to use their legal skills to affect positive change for disadvantaged populations while receiving top-rate training and supervision. The CDO works with a number of organizations, and has contacts all across the United States, to provide our students with as many fellowship opportunities as possible.

**Job Fairs**
**Annual Public Interest Job Fair:** Attend this on-campus job fair in late January or early February with more than 20 local government and non-profit employers who come to campus to meet you.

**Public Interest / Public Sector Day:** PI/PS Day is a job fair with almost 100 government and non-profit employers attending, co-hosted by McGeorge and other Northern California law schools.

**Non-Traditional Job Fair:** This career fair will expose you to some of the many job options available to law students and graduates beyond working in a law firm is co-hosted by McGeorge and other Northern California law schools.

**Post-Graduate Judicial Clerkships**
A judicial clerkship is a full-time position working for a federal or state judge usually right after finishing law school. Clerkships may be with any level of court and offer graduates the opportunity to work closely with a judge, gaining insight into the judicial process and broad exposure to various areas of the law.

Professional Development

Self–Assessment
Self-assessment will give you a new way to look at your strengths and talents, and allow you to modify or create your job-search strategy and professional materials accordingly.

Marketing Yourself and Your Online Presence
Social networking and your online presence can be one of the easiest ways to network and market yourself, but it can also expose you to unintended risks and consequences. The CDO will work with you individually, as well as provide you with resources and programs, to ensure that your online persona reflects who you are and where you want to be professionally.

“Day in the Life” Series
The CDO will partner with student organizations to bring you a series of programs and panels that will give you a glimpse into a “day-in-the-life” of attorneys from many different practice areas.

Networking
Networking is one of the best ways to make professional contacts, learn about practice areas and career opportunities, promote yourself and your law firm, obtain new clients, establish new relationships, and increase your own self-confidence. Throughout the year, the CDO will provide you with tips to improve your networking skills, and opportunities to practice.

Dine with Alumni
Dine with Alumni is an exclusive reception and dinner for McGeorge students, alumni, and Alumni Board members. The event is organized with an eye towards different legal specializations and geographic locations. This event is open to all class years and is a great opportunity to meet with alumni who practice in various areas.

Trina Grillo Public Interest and Social Justice Retreat
Each spring a consortium of California law schools, including McGeorge, plans a retreat for practitioners, students, and academics to join together and discuss today’s challenges to—and opportunities within—social justice lawyering. The Retreat provides a unique opportunity for public interest and social justice-oriented law students and others to exchange viewpoints, explore career opportunities, and formulate strategies for social justice.

McGeorge will be hosting the 22nd Annual Trina Grillo Public Interest and Social Justice Retreat on Friday, February 28 and Saturday, February 29, 2020.

During campus closures, the CDO will continue to work with student organizations, alumni, and employers to bring you the same great programs and networking opportunities virtually. Watch your email for details.
Professionalism in a Digital Age

Professional Email Address
Your email address may be the first impression that many potential employers or network connections will get of you. Make sure that it reflects an appropriate level of professionalism. You now have a McGeorge email address – use it! If you choose to use a different account, make sure that it does not contain any nicknames, silly spellings, quotes, or quirks.

Check Your Email
Set up a regular routine of checking your email. Consider this preparation for your legal career (where a huge percentage of your communication with clients, co-workers, and opposing counsel will be via email). It is important that you read your email and don’t just delete emails that appear uninteresting – you might miss something important!

Professional Email Signature
Now that you are a law student, your automatic email signature should reflect this. It should include your full name, that you are a JD candidate at McGeorge, and your contact information. Please avoid the use of quotes, emoticons, or other add-ons.

Respond to Your Email
Always respond to your email in a timely manner. You don’t want to miss out on an important opportunity because you failed to RSVP or accept an offer before the deadline!

Professional Email Tone
In our digital age, we have become increasingly informal. Even when you are friendly with the person with whom you are emailing, always remember to maintain professionalism and formality.

Clean Up Social Media
According to a recent survey, an increasing number of employers who researched applicants on social media said they found things that resulted in negative hiring decisions. These things include inappropriate photographs or information, information about drinking or using drugs, bad-mouthing another employer or co-worker, and poor communication skills.

Correct Spelling
Even in a digital age, where everything has autocorrect, you must ensure that you use correct spelling in all of your communication. This includes verifying that your message has not been “autocorrected” into something embarrassing or unprofessional.

Professional LinkedIn Photo
A polished LinkedIn page can positively impact your job search. This starts with a professional LinkedIn Photo. You will learn more about the CDO program to provide professional photos at your CDO Orientation in the fall of your 1L year.
Student Business Cards

You will have the opportunity to purchase customizable, high-quality student business cards with the McGeorge logo through moo.com. Early in the semester, each McGeorge student will receive a personalized email invitation and link to order cards. When used appropriately, student business cards can be a helpful networking tool. (In most situations, of course, it is best practice for a student to request a potential employer’s business card and follow up. However, there are some industries—lobbying, for example—in which it is expected that students will have business cards to trade with more-established professionals.) Please contact the CDO with any questions about business card etiquette.

CDO Resources

Online Videos
The CDO has a series of helpful how-to and informational videos available to answer some of your questions. These can be found on the CDO website, YouTube, or by contacting the CDO directly.

CDO Library Resources
There are many books, directories, newspapers, and more available in the CDO library to assist students in identifying career options and employers. We also have books on a variety of other career-related topics such as self-assessment and job-search techniques.

Practice Area Pathways
These 24 Pathways are an online tool designed to help you navigate through the different practice area possibilities and to aid you in developing your individual career plan.

Bar Admission

Each state has its own moral character and other qualifications for admission to the bar.

**California** requires that you (1) register as a law student, (2) take and pass the Multistate Professional Responsibility Exam (“MPRE”), (3) complete the Moral Character Application, including obtaining Live Scan Fingerprinting, and (4) take and pass the California Bar Examination. More information about each requirement is included below; however, the definitive source of information about admission to the California State Bar is always the California Bar's website ([calbar.ca.gov](http://calbar.ca.gov)).

**Nevada** requires applicants to (1) take and pass the Multistate Professional Responsibility Exam, (2) complete the application to take the bar exam, which includes a character and fitness portion requiring supporting documents such as a driving record and fingerprints, and (3) take and pass the Nevada Bar exam. More information about admission to the State Bar of Nevada can be found on the State Bar of Nevada's website, which is available here: [nvbar.org/for-lawyers/admissions](http://nvbar.org/for-lawyers/admissions). As with California, the definitive source of information about admission to the State Bar of Nevada is the information available through the State Bar itself.

If you are planning to practice in another state, you should contact that state’s bar as soon as possible to determine their admission requirements. A comprehensive list of the admission requirements for each state is available on the National Conference of Bar Examiners website at [ncbex.org](http://ncbex.org). Look under Publications > “Comprehensive Guide to Bar Admission Requirements.”

**First-Year Checklist**

- Register as a law student with the California State Bar (see below) if you plan to take the CA Bar Exam someday.
- Review the admission requirements for the state(s) where you wish to eventually practice law and familiarize yourself with the subjects tested on that state’s bar exam.

**How to Register as a Law Student with the California Bar**

The California State Bar requires that you register as a law student before you submit anything else (such as the Moral Character Application or application to take the California Bar Exam). There is no deadline or late registration fee, but the fee generally increases annually, so it is best to register early. **Take note of your registration number**, as you must use your registration number on all subsequent correspondence with the bar, including your application to take the exam after graduation.

To register as a Law Student with the California Bar: go to [calbar.ca.gov](http://calbar.ca.gov), click on “Admissions” and then click on “create a new registration” under “Applying to the Bar.”

**About the MPRE**

The MPRE is a two-hour multiple-choice exam offered three times each year (usually March, August, and November). The MPRE is required for admission to the bars of almost every jurisdiction. In California, applicants must have a minimum score of 86. In Nevada, applicants must take the MPRE within three years of any Nevada bar examination they pass and must achieve a minimum score of 85. Most students take the MPRE during their second or third year, and we highly recommend completing it prior to graduation and bar exam preparation. You do not have to complete the Professional Responsibility course prior to taking the MPRE, but we recommend that you do so if possible. Commercial bar review courses like Barbri, Kaplan, and Themis usually offer free MPRE review materials. When the time comes, you will sign up for the exam online at [ncbex.org/multistate-tests/mpre](http://ncbex.org/multistate-tests/mpre).
About the Moral Character Application
Prior to admission to the bar, an applicant must complete the Moral Character Application (essentially a very thorough background check). The California State Bar can take a minimum of six months to process and approve Moral Character applications. The State Bar recommends that applicants file between eight and ten months ahead of time. The application involves extensive preparation and time, as the instructions are lengthy, and usually applicants must provide information regarding school, employment, and residence going back to high school. You can learn more about the Moral Character Application by visiting [calbar.ca.gov](http://calbar.ca.gov), (click on “Admissions,” and then click on “Moral Character” in the blue menu bar at the top).

About the Live Scan Fingerprinting
A Moral Character Application is not considered complete without Live Scan Fingerprinting. Fingerprints are used to determine whether the applicant has a prior criminal record. Your fingerprints must be submitted within 90 days of when you file your Moral Character Application. Each year McGeorge offers on-campus Mobile Live Scan Fingerprinting in the Student Center, and a list of other places that provide Live Scan service can be found on the CA Attorney General, Department of Justice website at [ag.ca.gov/fingerprints/publications/contact.php](http://ag.ca.gov/fingerprints/publications/contact.php).

Apply to Take the Bar Exam
California bar exam application materials are available at [calbar.ca.gov](http://calbar.ca.gov) usually starting on October 1 for the February exam, and starting on March 1 for the July exam. Some locations do fill up (especially those in southern CA), so file your application early. Note that registering as a law student (see above) is different from applying to take the bar exam. Both steps are required before you may sit for the bar.

Nevada does not require separate law student/applicant registration. Applications for admission include the application itself and the character and fitness application in one complete application. Like California, the application for the Nevada bar is available October 1 for the February Exam and March 1 for the July exam. You may indicate whether you wish to take the exam in Reno or Las Vegas.
One and Done: Bar Preparation & Support

Sign up for a Commercial Bar Review Course.
There are several from which to choose, but it is vital to enroll in a commercial course. This is where you will get the substantive law you need to pass the exam, along with a study schedule, practice exams, and feedback on your work.

Visit the major vendors’ tables throughout the semester on campus, and know that you do not have to make a decision right away, even if the representatives pressure you to take advantage of special discounts and sales. Take your time and choose the program that feels like the best fit for you.

A good way to “test drive” a commercial course is by using its free MPRE preparation materials. If you have further questions about which course might be best for you, contact Professor Lee at clee1@pacific.edu.

Check Your McGeorge Email Account for Bar Prep Opportunities.
McGeorge offers various means of support to help students master the skills necessary to pass the CA Bar Exam on the first attempt.

Play the Mental Game.
Don’t underestimate the mental aspect of passing the bar! Eating healthfully and taking good care of yourself are more important now than ever. Have a plan for how you will deal with the stress, whether it’s running, working out, yoga, meditation, cooking, going to the farmers market, knitting, painting, walking, etc.—whatever helps you stay healthy and focused.

Get Your Life in Order
It’s never too early to develop a plan to ensure that you can spend the bulk of your post-graduation time focusing on studying for the bar exam—because you WILL spend that much time studying! Start saving money, start saving vacation time, arrange for childcare, etc. If at all possible, we highly recommend that students do NOT work during their bar prep. If you would like to discuss your individual situation and options, contact Professor Lee at clee1@pacific.edu.

Follow the McGeorge Bar Prep Blog, “Like” the Facebook Page, and Follow @mcgeorgebarprep on Instagram and Twitter.
These are the primary platforms we will use to communicate with you during bar prep. On the blog (mcgeorgebarprep.wordpress.com) and Facebook (“McGeorge Bar Prep”), Instagram, and Twitter pages, we may share information about submitting practice exams for individualized feedback, study tips, events, general bar advice, and more. If you’re not following these updates, you will miss out on some great opportunities.

Enroll in PASS I & PASS II during your final year.
PASS I is a pass/fail three-unit course that introduces students to the bar exam: how it’s graded, what it covers, and what applicants need to do to pass the first time. Students in PASS I write multiple practice essays covering Criminal Law, Criminal Procedure, and Professional Responsibility, as well as performance tests, receiving extensive personalized feedback on their work. Students also use Adaptibar MBE review software to work with the seven subjects tested on the Multistate Bar Exam. Student evaluations have been overwhelmingly positive. PASS I may be taken during either Fall or Spring of your senior year.

PASS II is a graded, three-unit course that focuses on the substantive law of Civil Procedure, Contracts, and Property. Students in PASS II use commercial bar course materials to review the law and complete multiple exam simulations to give them a head start in reviewing these challenging bar subjects. PASS II may be taken during either Fall or Spring of your senior year, though we recommend taking it in the semester closest to your graduation date (and bar exam), if possible.
Enroll in BEAT or Participate in the Extra Feedback Program
BEAT (Bar Exam Attack Track) is a FREE and effective supplemental, post-graduation support program for McGeorge alums taking the bar exam for the first time. BEAT provides structure and accountability for bar applicants through regular individual conferences and required assignments. Participation in BEAT is by application only, so be sure to check your McGeorge email so you don’t miss the application deadline or other opportunities. (BEAT is offered for the winter and summer bar exams.)

If you need more flexible support or are taking the bar exam in another state, you are encouraged to participate in the Extra Feedback Program (EFP) instead, which allows you to submit the same exams on a voluntary basis. The EFP is also free and offered for the winter and summer bar exams, but there is no application or RSVP necessary. Please check the McGeorge Bar Prep Blog for the EFP schedule and submission instructions (usually posted in May and December).

If you plan to take the NV Bar Exam, please reach out to Dean Carr.

California Bar Exam: Description & Grading

To be admitted to the California State Bar, applicants must take and pass the California Bar Examination. The California Bar Exam is a two-day exam, consisting of five one-hour essay questions and a 90-minute performance test on the first day, and 200 MBE (multiple choice) questions on the second day. The bar exam is typically administered during the last week of February and July each year.

Grading
The Committee of Bar Examiners maintains a diverse pool of approximately 150 experienced attorneys from which Graders are selected for each examination grading cycle. Eight groups of 14 Graders are selected to grade the essay and PT answers, which together are worth 50% of the final score. Graders evaluate answers and assign raw scores (ranging from 40 to 100, in 5-point increments) based on the content of the responses. The Committee then uses a statistical technique called “scaling” to convert your raw score into your scaled score. This process is designed to ensure that the difficulty of passing the bar exam remains consistent from one administration to another. You can learn more on the California Bar website.

Results
February results are released in May, and July results are released in November. Beginning at 6 p.m. on the day results are mailed, applicants can access the results online. In California, successful applicants do not receive their scores or exam answers. For information about bar results in another state, please check that state’s website.

Essay Questions
This part of the exam is designed to measure your ability to analyze legal issues presented by fact patterns. Your answer is expected to demonstrate that you can analyze the facts given, tell the difference between material and immaterial facts, and discern the points of law and fact upon which the question turns. Your answers must show knowledge and understanding of the pertinent principles and theories of law, their qualifications and limitations, and their relationships to each other. Your answer should evidence your ability to apply the law to given facts and to reason in a logical, lawyerlike manner from premises adopted to a sound conclusion. Writing timed practice essays following bar structure is vital to bar exam success, so enroll in the PASS I course to get a head start.
Essay questions may involve issues from one or more of the following subjects:
1. Business Associations
2. Civil Procedure (California & Federal)
3. Community Property (California)
4. Constitutional Law
5. Contracts
6. Criminal Law and Procedure
7. Evidence (California & Federal)
8. Professional Responsibility (California & ABA)
9. Real Property
10. Remedies & Principles of Law
11. Torts
12. Trusts
13. Wills and Succession

Performance Test (PT) Questions
PTs are designed to test your ability to understand and apply a select number of given legal authorities in the context of a factual problem. Each question consists of a fact “file” and law “library” with instructions advising you what task(s) you must perform. PTs are graded based on analytical content, responsiveness to instructions, thoroughness, organization, time management, and professional presentation of written tasks. The PT is worth two essays in terms of bar grading, so enroll in PASS I to practice successful PT strategies.

Multistate Bar Examination (MBE)
The MBE on day 2 of the bar exam consists of 200 multiple choice questions developed and graded by the National Conference of Bar Examiners, not the California State Bar. The MBE is part of every bar exam in the United States except Louisiana. The MBE is worth 50% of your final California bar score. Enroll in the PASS courses to get early exposure to MBE questions and practice effective attack strategies.

MBE questions test seven subjects (federal law only):
1. Civil Procedure
2. Constitutional Law
3. Contracts
4. Criminal Law and Procedure
5. Evidence
6. Real Property
7. Torts
California’s Practical Training of Law Students Program (Certified Law Students)

The State Bar of California’s Practical Training of Law Students (PTLS) program certifies law students to provide legal services under the supervision of an attorney. Students interested in the PTLS program should read the Rules Governing the Practical Training of Law Students and all instructions for certification, which are available on the State Bar of California website.

Requirements
To be eligible, a student must have successfully completed one year of law school and be enrolled in the second, third, or fourth year of school in good standing or have graduated from law school. The student must be registered with the State Bar of California’s Office of Admissions and have either completed or be currently enrolled and attending courses in Evidence and Civil Procedure.

How to Apply for PTLS Certification
The application can be found at calbar.ca.gov by following this path:
- Click on “Admissions”
- Click on “Special Admissions”
- The last link on the left is the “Practical Training of Law Students” link

Your application for certification must include four items, which you must submit at the same time:
1. Student Application
2. Declaration by a supervising attorney
3. Declaration by the Dean of the law school (this form is typically signed by Dean Carr)
4. $55 non-refundable application fee, made payable to the State Bar of California

All items must be submitted together. Any documents received separately will be returned.

Instructions for Completing the Dean’s Declaration
Bring your “Declaration by Dean of Law School” to the Office of Student Affairs, where it will be reviewed and signed by Dean Carr. Do not bring this form to Dean Colatrella or Dean Schwartz! Before dropping off your form, fill in your name and graduation date. The Office of the Student Affairs will have the signed form ready within 48 hours of receipt from the student, pending Dean availability. (Please note that the Dean cannot sign this form until the first day of the semester when you are enrolled in Evidence.)

After you Submit your Application for PTLS Certification
You will receive a reply by email or fax (sent in care of your supervising attorney) within one month of the date the State Bar receives a complete and accurate application. If the application is not completed accurately, it will be returned to you. Please retain a copy of your application and rules governing the PTLS program.

If you have questions about the PTLS program, please contact The State Bar of California at PTLS@calbar.ca.gov or 415.538.2117. For information about becoming a certified law student in another state, please check that state’s website.
Pro Bono & Community Service

McGeorge provides robust opportunities for students to engage in the community, including the Oak Park neighborhood surrounding the campus and in the broader Sacramento region. Students come to McGeorge to make a difference, and these activities allow you to achieve personal and professional fulfillment by helping others. Through these activities you will gain professional experience, enhance your resume, and build relationships with other professionals. Opportunities fall into two related groupings: pro bono and community service. The Capital Center for Law and Policy recognizes McGeorge students with a Capital Commendation at different levels depending on the number of hours provided.

Pro Bono

Pro bono comes from pro bono publico, which means “for the public good.” JD students use their growing legal skills under the supervision of a practicing attorney to help provide free legal services on campus at one-day clinics sponsored by McGeorge, and on behalf of a variety of government, nonprofit, educational, and civil programs. Students do not receive compensation or academic credit for doing pro bono work. These programs are often coordinated by the McGeorge Legal Clinics, the Career Development Office (CDO), or by faculty and student organizations, and many involve invaluable cross-cultural experience.

Annual Immigration Fair
Law students team up with local immigration attorneys and McGeorge law professors to offer assistance for Naturalization applications and Deferred Action for Early Childhood Arrivals applications at this one-day clinic on our campus. Most of the direct service opportunities are for students enrolled in the Immigration Law Clinic and the Immigration course, but limited opportunities are available for other students (including non-JD students) who attend a training session.

Elder Abuse Prevention Events for Seniors
Law students from the Elder & Health Law Clinic and the Elder & Social Policy course provide seniors with legal check-ups and education about financial safety and protection at a one-day clinic on campus. There are some opportunities for other students who attend a training session to participate in the event. The Elder & Health Law Clinic students also sponsor a World Elder Abuse Awareness Day event, in cooperation with actors from Capital State Company, entitled “Act 1: ‘No.’ is a complete sentence” on elder abuse prevention.

Pro Se Help Day
Law students, law professors, and volunteer attorneys from the Federal Bar Association and the Sacramento County Bar Association, together with UC Davis students and professors, help litigants who are representing themselves in cases pending in the U.S. District Court for the Eastern District of California. Without forming an attorney-client relationship, law students and volunteer lawyers provide procedural guidance, read orders from the court, and help litigants understand the next steps they need to take in their litigation. Pro Se Help days are scheduled four times a year. Students interested in participating should contact Dean Moylan, mmoylan@pacific.edu.

Workers’ Rights Employment Summer Volunteer Clinic
In coordination with the CDO, this pro bono employment clinic operates one night a week on the McGeorge campus for ten weeks during the summer. JD students practice interviewing and other professional skills, interact with clients, and learn substantive California employment law. The clinic is run by the Executive Director of the Center for Workers’ Rights.

More Pro Bono
McGeorgeCareersOnline (go.mcgeorge.edu/MCO) regularly posts other pro bono volunteer opportunities for students from a single-day to semester-long from a variety of agencies and organizations.

Community Service
Volunteer opportunities include community-based activities that support the Oak Park neighborhood or the broader community but do not involve the use of legal skills.
Registered Student Organizations
Many of our RSOs engage in a variety of volunteer activities. Keep an eye on The Docket and The WRIT for events and attend club general meetings to get involved.

McGeorge Night of Service
CDO coordinates an Annual Night of Service with current students, recent graduates, and other local alumni at a non-profit located in Oak Park.

Public Service Career Resources
There are a number of resources available to students who wish to pursue careers in public service:

Public Legal Services Society (PLSS)
Summer Stipends
JD students who work in public service or public interest positions for up to 40 hours a week and for up to 13 weeks during the summer may be selected by a PLSS committee to receive a stipend of up to $3,500. The stipends are funded by the PLSS Annual Auction (held in the Spring by the Capital Center for Law and Policy) and by public interest endowments.

McGeorge Public Interest Job Fair
This event is held each Spring at the student center on campus. More than 20 government and public interest employers will be on campus to meet individually with students about internships, externships, and post-graduate employment.

Public Interest/Public Sector Job Fair
The Northern California Public Interest/Public Sector Legal Job Fair provides JD students a unique opportunity to meet and interview with more than 100 public interest and public sector legal organizations. This is an annual event that is sponsored by the Consortium of Northern California Law School Career Services Offices (including McGeorge) and OneJustice.

Public Service Jobs Directory
The CDO pays for a subscription for each student to psjd.org, which allows you to access information on volunteer opportunities, post-graduate fellowships, and other information about public service opportunities and loan forgiveness.

Peggy Browning Fund Workers’ Rights Conference
Each year, one McGeorge JD student is selected by the CDO to receive a full scholarship to attend this annual conference in Maryland, whose mission is to educate and inspire the next generation of legal advocates for workplace justice.

Equal Justice Works Career Fair
This event is held in Washington, D.C. in October and is the largest public interest career fair for JD students in the US, with more than 150 employers from across the country. Students apply for pre-scheduled interviews and attend table talks as well as multiple workshops. The event consistently draws McGeorge students each year and the CDO will award travel grants to some JD students who attend this career fair and conference. The 2020 EJW Conference and Career Fair will be held virtually and is open to all law students.

McGeorge Post-Graduate Fellowship Program
A limited number of recent JD graduates are awarded Post-Graduate Fellowships (including a small stipend) by the CDO for volunteer work at a nonprofit organization, government agency, or a small private or lobbying firm. Students are selected based on an application, resume, one-page statement of interest including explanation of the connection between the placement and long-term career goals, and host verification form. A number of these fellowships lead to permanent employment upon bar passage.

SBA Peer Mentor Program

The upper-division students on campus want to help you. To help facilitate that process, the McGeorge SBA has created a mentorship program, pairing incoming students with an upper-division student that focuses on helping incoming students integrate with the McGeorge Community. The senior students who volunteer for the program have been involved with various student clubs, student organizations on campus, and student-driven McGeorge events.

How do I sign up?
To request a mentor, please complete the google form here by September 07, 2020: https://forms.gle/We9WuPYxk8cdA37j6. The information you provide will help the SBA match you with a mentor who will be a good fit. During the fall semester, SBA will provide more information regarding the mentor-mentee process.
Capital Commendation for Public Service

The McGeorge Capital Center for Law & Policy encourages students to pursue experiences that emulate pro bono legal experiences during their legal career and recognizes students who give their time to others through pro bono legal services (separate from volunteer internships) and/or unpaid community service.

Examples of activities that count towards the Commendation include:

- Service events sponsored or promoted by the law school, such as the Citizenship Fair, Reading Partners or the Justice Bus Spring Break Service Trip.

- Student group events to provide service or raise funds to support service, such as the Women’s Caucus Wine-Tasting and Auction and/or the Public Legal Services Society fundraising efforts.

- Other non-legal community service like neighborhood cleanup events, service nights, volunteering at libraries or animal shelters, and volunteer mentoring.

As an ongoing Capital Commendation student, you may be invited to a yearly recognition reception. At graduation, you will receive a certificate and medal for your achievement, recognition at the annual senior luncheon, and special notation in the commencement program.

You may earn the Capital Commendation for Public Service at the following levels, based on your total hours devoted to service during the entirety of your time at law school:

- Bronze (50 hours)
- Silver (100 hours)
- Gold (150 hours)

Any public service performed while enrolled at McGeorge may count towards the Commendation, provided the hours were unpaid and not for academic credit, subject to approval by the program director.*

*Legal Clinic hours typically do not count towards the Commendation. Hours of service performed through the Reading Partners Program, although compensated through work-study, may count toward the Commendation.

How to Apply
Students interested in receiving the Capital Commendation for Public Service should complete the following two forms:

1. Registration Form
2. Public Service Timesheet

Both forms are available online at go.mcgeorge.edu/commendation.

Students are encouraged to explore the center for kinship and support. Programming from the CID seeks to build community, foster understanding on issues of diversity, and promote an atmosphere of inclusion for all members of the Sacramento campus. This is a brave and safe space for students. Some students opt to study here, as well as host meetings and/or events.
Bias Response Teams
In order to ensure that McGeorge most effectively complies with its commitment to Diversity and Inclusion, a Bias Response process has been created. Any member of the community who experienced an incident of bias, discrimination, or harassment may make a report through this form: pacific.edu/campus-life/safety-and-conduct/bias-and-discriminatory-harassment-policies-and-protocols/bias-reporting-form.html. This triggers a response by the Bias Response Team which will perform case management and administrative oversight, allowing an immediate as well as future response. If you feel comfortable doing so, you can also reach out to Dean Moylan at mmoylan@pacific.edu or Dean Carr at jcarr@pacific.edu.

Pronoun and Name Changes
A student may change their pronouns and/or name through the Registrar’s Office using the Change of Personal Data Form, which is available online here mcgeorge.edu/students/services/registrar.

Diversity Week
Diversity Week is an annual Admissions/Diversity Initiatives program that takes place each year in February, including a broad array of programs aimed at both raising awareness and cultivating community. Contact Dean Salcido if you’d like to get involved with planning Diversity Week 2021 and keep an eye on The Docket for engaging events to attend.

Diversity Affairs Committee
McGeorge’s Diversity Affairs Faculty Committee addresses issues relating to diversity such as scholarships for minority students, outreach to diverse applicants, and campus climate. Several student representatives sit on this committee and provide input as well as inspiration (and often hard work!). In the past, this Committee has spearheaded fundraising for scholarships for minority students, planned Diversity Week mixers for current students to mingle with faculty and practicing attorneys, and offered an implicit bias training for faculty and staff.

University Committee for Diversity, Equity, and Inclusion
The University Committee for Diversity, Equity, and Inclusion (UCDEI) is responsible for assisting in the development of programs, projects and policies which will enhance diversity, equity, and inclusion, with emphasis on issues related to, but not limited to, ethnicity, gender, sexual orientation and disability at University of the Pacific. The UCDEI serves as a centralized group in support of the University’s diversity aspiration to “pursue diversity to transform and enliven our community, curricula, programs and policies” as stated in Pacific Rising: 2008 – 2015 (PR15). This aspiration is further emphasized through the University’s intention to “Build upon a culture which values and cultivates diversity and intercultural competence” (PR15: 5.3).

Wellness and Campus Resources

McGeorge strives to be a campus where students can balance work and leisure, but there is no avoiding the fact that law students will work hard during law school. Developing healthy habits to manage day-to-day stress and maintaining a healthy and well-rounded lifestyle is key to a balanced and happy work life. Law school is the perfect time to practice fostering healthy habits, so we offer an array of programs and resources to address students’ intellectual, physical, spiritual, social, and emotional needs. We want to create an environment that gives students the tools, resources, and support they need to lead a healthy lifestyle.

Leadership & Engagement Opportunities
Not all learning takes place in the classroom! Valuable opportunities to build connections in the legal community abound – everywhere you look, there is another event or activity you could attend or another leadership opportunity you could pursue. Although your time is limited, getting involved is important and tremendously improves the law school experience.

Some of the key leadership opportunities you might consider pursuing include:

- Student Government (The Student Bar Association, or SBA for short)
- SBA Student Committees
- McGeorge Faculty Committees with Student Representation
- American Bar Association Law Student Division Representative
- Registered Student Organizations
Student Bar Association

All McGeorge students hold membership in its Student Bar Association. The SBA serves as a forum for student interests and concerns and it sponsors school-wide events throughout the year including the Barrister’s Ball. The SBA also organizes and oversees several student committees, and provides funding for the Registered Student Organizations.

The SBA is administered by a student-elected Board of Governors comprised of the SBA President, JD Day and Evening Division Vice-Presidents, Secretary, Treasurer, a Representative for each JD class year (1D, 2D, etc.), and an At-Large Representative.

In consultation with the Associate Dean for Academic Affairs, the SBA President appoints student representatives to several of McGeorge’s standing committees to insure student input to faculty and administrative policy decisions. The SBA President is also invited to attend and participate in faculty meetings.

Each Spring, SBA elections are held for the following year. First-year classes elect their representatives shortly after the Fall semester begins.

SBA Student Committees

The SBA organizes and oversees various student committees to focus on student issues and events, such as stress relief activities, networking opportunities, social events, facilitating communication with the student body, and addressing student concerns. Students apply for and are appointed to serve on these committees by the SBA Vice Presidents.

As an SBA committee member, you will play a key role in educating, energizing, and inspiring action among our student body. You will participate in planning and implementing events, programing, and campaigns that will invigorate our campus community. Given the current health concerns, our committees will be creative forward thinkers, by brainstorming and implementing events and providing resources to students while still abiding by health guidelines. Serving on a committee is also a great way to sharpen your leadership skills, make new friends, and leave your mark at McGeorge.

Alumni Committee
The Alumni Committee seeks to create strong mentor relationships between students and the alumni. The Committee shall work to provide meetings and events that will allow students to network with the alumni face-to-face. The committee will provide events that cover diverse interests so that students have an opportunity to learn about their perspective fields of interest directly from the people who have experience in those fields.

Wellness Committee
The Wellness Committee helps students achieve optimal wellbeing to enhance their quality of life and succeed in law school. This Committee raises awareness about campus health services and counseling and student health insurance, and works with the Office of Student Affairs to implement wellness initiatives and advocate for student wellness needs. This Committee also coordinates wellness and stress relief events including Wellness Week.

Events and Coordination Committee (ECC)
The purpose of the ECC is to create and coordinate social activities for students. This committee plans our annual and semi-annual events such as “Gimme a Break” (breakfast during finals), the grand Welcome Back event, as well as the End of the Year Barbeque. Members can also create new ideas and events for student life on and off campus, with the approval of the SBA.

Barrister’s Ball Committee
The Barrister’s Ball is an annual, formal dinner and dance event that the SBA hosts for students and their guests in the spring. At this time, this committee will likely need to be adjusted to maintain the health and safety of our students. The Barrister’s Ball Committee is responsible for planning and coordinating all the details related to the event whether it is in-person or virtual.

Activities and Sports Committee
Promote health, camaraderie, competition, and community by hosting outdoor and athletic events that are open to all students at the University of the Pacific’s Sacramento campus.

SBA Elections Committee
The SBA Elections Committee is responsible for conducting elections for first-year class representatives in the fall and the campus-wide elections for the entire SBA Board in the spring. Committee members work together to regulate campaign procedures and inform candidates about the election process. Members must keep records of Elections Committee activities, including election results and ballots.

Masters Committee
The Masters Committee will foster a sense of community between all McGeorge students, whether they be day, night, Masters, LLM, JSD, or JD students. This includes encouraging Masters students to attend and participate in SBA events, addressing matters pertinent to the inclusion of Masters students in campus activities, programs, and resources, and communicate with Masters students on behalf of the SBA.
Faculty Committees with Student Representation

Each year the SBA President, in consultation with the Office of Student Affairs and Associate Dean for Academic Affairs, appoints student representatives to several of McGeorge’s standing committees to insure student input to faculty and administrative policy decisions. Look out for an email with more details about how to apply for one of these positions over the summer.

**Code of Student Responsibility**
This committee handles any disciplinary matters that occur under the Code of Student Responsibility, and reviews and suggests revisions to the Code of Student Responsibility Rules, as needed. Three students serve on this committee, and five additional students are identified for the disciplinary hearing pool and called upon to serve if needed.

**Curriculum**

Registered Student Organizations

Practicing your legal skills does not always happen in class or during an internship. Registered Student Organizations (or as we call them, “RSOs”) play an integral role in the campus environment and educational process for students at McGeorge. The many events and activities hosted annually directly enhance academic and career preparation, cultural awareness, public service, leadership skills and networking opportunities.

So get involved – with your peers, with the McGeorge community, and with the Sacramento community. You will meet people with similar interests, organize meaningful activities, and have plenty of opportunities to network your way into a stellar internship or career and long-lasting friendships.
