## FINANCIAL AID PROCEDURES

### APPLICATION PROCEDURES

The basic steps to apply for financial aid are as follows:

1. If you do not already have one, obtain an FSA ID from the Department of Education at <http://FSAID.ed.gov>.
2. File a completed Free Application for Federal Student Aid (FAFSA) with the federal processor at [FAFSA.gov](http://FAFSA.gov).

The FAFSA report provides an analysis of a student's resources under federal guidelines. Since federal financial aid programs have more favorable terms than alternative loan sources, students are encouraged to file a FAFSA to have their eligibility determined for these programs. Having a completed FAFSA on file may open opportunities to receive additional scholarships and/or grants.

The FAFSA will be available on October 1, 2018, at 12:01 a.m. The priority deadline is March 1, 2019. All forms are at [go.mcgeorge.edu/financialaid](http://go.mcgeorge.edu/financialaid).
