FALL & SPRING SEMESTER 2013-2014 FIELD PLACEMENT PROGRAM

Overview and Schedule

McGeorge offers one of the largest field placement and judicial externship programs of any ABA-accredited law school. Coupled with our Capital location, you will enjoy opportunities to earn academic credit, resume-building experience, and networking opportunities through placements at more than 150 state and federal courts, government agencies and nonprofit entities, and limited for-profit opportunities.

Placements are available to any student who has satisfactorily completed their first year and is not on academic probation. Placements are generally 3 units; limited part-time and full-time placements (7 and 14 units) are available upon pre-planning with the Director of Field Placement. Most placements are located in the Sacramento region. Domestic and international placements are available outside of the Sacramento area, but require pre-approval and advance planning.

During their placement, students perform on-site legal work under supervision and attend on-campus reflective classes with professors. Colleen Truden, Director of Field Placement, and David James, Senior Career Advisor, counsel students regarding appropriate placements and approve each student's enrollment.
